From J. B. PENNINGTON, Esq., Acting Collector of Tanjore, to the Secretary to Government, Public Works Department, dated 26th July 1884, No. 4261.

With reference to your memorandum, No. 339 E., dated the 30th June 1884, and reminder thereon, dated 15th instant, I have the honor to report that the Superintendent of Police, Tanjore, informs me that no sanction was obtained for the construction

of the huts for the land custom police. He further says that the Superintending Engineer, VI Circle, had requested his predecessor, Colonel Rolland, in pursuance of G.O., No. 375 W., dated 22nd February 1883, to submit the necessary estimates for these works, and accordingly he made the requisition for acquiring the sites for the construction.

ORDER—dated 8th August 1884, No. 1927 W., Public Works.

The issue of the notification for the acquisition of the land in question will be deferred until the estimates for the construction of the police huts are received. For the purposes of the estimates to be framed by the Superintending Engineer, the sites can be valued by the Collector. They need not be fully acquired.
