GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

ORDER—dated 20th February 1886, No. 177, Political.

With reference to Notification published in Gazette Extraordinary, dated the 20th instant, His Excellency the Governor in Council is pleased to appoint a Committee, consisting of His Excellency's Military Secretary, the Commissioner of Police, the Master Attendant, and the President of the Municipal Commission, to make arrangements for the departure of His Excellency the Viceroy and party on Wednesday the 3rd March.

2. As the arrival will be private, nothing more than the usual police arrangements will be necessary; but the Master Attendant will, with a small deputation, go on board the *Clive* to receive His Excellency and party and to bring them to land. The pier should, notwithstanding the private character of the arrival, be decorated in the manner usual on such occasions.

3. On the occasion of His Excellency's departure it is intended that gentlemen possessed of the private *entree* with the ladies of their families, should they be present, should be admitted to the pandal or other structure where His Excellency the Governor and staff and the high officials of Government will take leave of His Excellency, and that suitable arrangements should be made for the admission to, and accommodation on, the west end of the pier of general society and of the general public so far as space may allow.

4. The necessary funds will be provided by Government, with the exception of what is done at the expense of the municipality, and it is desired that the road from Government House to the Pier may be decorated with arches and in any manner that may suggest itself, so that no opportunity may be lost of giving His Excellency on his departure a handsome demonstration such as was contemplated on the occasion of his arrival, had he not expressly ordered his reception on arrival to be *quite private*.
