To

THE

Chief Engineer
P.W. Department.

SIR,

Enclosures.

I have the honor to
report that an estimate of
Rs 3460-0-0 for constructing
a masonry bed for new
machinery for the supply of
water to the Government House
at Grindy, was sanctioned
in G.O. N^o 2942 W dated 8th
December 1885, but without
an appropriation of funds
for the current year. The
work has been completed
by the General Superintendent
of P.W. Workshops, and I request
that

that an appropriation of
Rs 50 may be made, to allow
of the adjustment of the
Accounts.

I have the honor to be
Sir,

Your Most Obedt. Servt.

READ—the following papers :—

From Colonel W. H. BURTON, R.E., Officiating Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Mysore, 21st October 1885, No. 3114.

I have the honor to submit, for sanction, a revised estimate of Rs. 3,460 for constructing masonry beds to the boiler and engine and fitting the same and donkey-engine at the Guindy water-works.

2. The General Superintendent, Public Works Workshops, explains that the original estimate of Rs. 1,250, sanctioned in G.O., No. 3126 W., dated 19th December 1884, provides for building the engine and boiler beds only, but as various parts of the boiler engine and donkey-engine, as explained in the accompanying comparative statement, were not received from England, they have been made up in the Public Works Workshops and fitted; the cost is therefore increased to Rs. 3,460.

From the same officer, dated Bangalore, 4th December 1885, No. 3790.

ORDER—dated 8th December 1885, No. 2942 W., Public Works.

The revised estimate, amounting to Rs. 3,460, for constructing a masonry bed for and fitting the new machinery at the Guindy water-works is sanctioned in lieu of the original estimate for Rs. 1,250 sanctioned in G.O., No. 3126 W., dated 19th December 1884.

2. This sanction has been registered as Provincial, No. 177 W. of 1885-86, and classified as Civil Buildings, Original Works.
