

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

22nd February 1886, No. 1135.

Military Buildings—Appropriation.

Read the following papers :—

No. 198. *From Major D. J. S. McLEOD, Deputy Quarter Master General, to Lieutenant-Colonel A. KENNEY-HERBERT, Secretary to Government, Military Department ; dated Ootacamund, 29th January 1886, No. 346-A.*

Referring to the details given in this office letter No. 345-A., dated 28th instant, as to the deficiency of barrack accommodation in Fort St. George, I am desired to express a hope that the removal from the Fort of the Civil and Military Account Offices which it is understood has been sanctioned by the Government of India, may be carried out at an early date.

2. Anticipating the early removal of these offices as apparently contemplated by the Government of India, the Provincial Commander-in-Chief obtained from Government a grant in the budget of 1886-87 for adapting the buildings they now occupy for use as barracks for troops, and he would be glad to know that there is a probability of the buildings being placed at his disposal soon for the necessary alterations.

No. 199. *Endorsement of the Secretary to Government, Public Works Department ; dated 12th February 1886, No. 587-C.*

No. 200. *ORDER THEREON, 22nd February 1886, No. 1135.*

The Government much regret that it has not yet been found practicable to remove the offices of the Civil and Military Accounts Departments from Fort St. George.

2. The Government of India having refused to provide the sum required for the purchase and improvement of the only buildings in Madras considered suitable for the Military Accounts Department, negotiations for the acquisition of the property have fallen through.

3. The transfer of the Civil Account Department is a still more difficult matter, and the Government are not at present in a position to propose any method whereby it can be effected.
