With reference to G. O. No. 122 R of 6th February

have received a letter from the Traffic Mana-
ger South Indian Railway, stating that
on and from 1st March 1886 stone for these works
will be charged on all future Invoices at a rate
of one Anna per ton or six annas per truck per
mile from Pallaveram to the Madras Beach
and that a bill for the difference between the
invoiced rate and the increased rate from
1st July 1885 till the end of February 1886 will
be submitted.

2. The quantity of Stone supplied from
1st July 1885 to 31st January 1886 and the pro-
bable quantity that will be supplied from
1st February to 31st March 1886 will amount to

during the current official year will be Rs 63,750,
which sum will exceed the grant sanctioned
in G. O. No. 11 of 4th January 1886. I have
therefore, the honour to request that you will
be good enough to sanction this additional
sum to meet the charge in question, which
charge I was not in a position to foresee.

3. It will now be necessary for Mr Parker
to revise the Estimate for the whole works in
consequence of this extra charge on each wagon
of stone, and this I imagine he will do
on receipt of the G. O. before referred to which
I sent to him by mail of the 17th February.

I have the honour to be,

Sir,

Your most Obedient Servant
