

12TH FEBRUARY 1886, No. 311, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

Extract from the Proceedings of the Government of India, in the Home department (Patents), dated Calcutta, the 23rd January 1886, No. 94.

Read—

A petition* from Mr. William Bull, Civil Engineer, at present residing in Bombay, for an extension of the exclusive privilege granted to him on the 28th June 1872, in respect of his invention for a more economical method of burning bricks.

* Dated 29th October 1885.

Resolution—

The Governor-General in Council is pleased to authorize the extension of the exclusive privilege for a period of six years and three months from the 28th June 1886, subject to the following condition and restriction, that is to say, that the petitioner shall not become or claim to be entitled to any right or exclusive privilege whatsoever in regard to the making, selling, or using the said invention in India as against the Secretary of State for India in Council or the Government of India or any of the Governments or Subordinate Administrations of British India or any of their Servants or Agents in that behalf, and subject to the further condition that District Boards or Committees, now in existence or which may hereafter be constituted under the provisions of the law in force in the several provinces, shall be entitled to the same rights as are possessed by the Government both in respect of the invention for which an extension of exclusive privilege is hereby allowed and also in respect of the inventions† patented by the petitioner in May and September 1878.

† Register Nos. 37 and 73 of 1878.

Order—

Ordered that the petitioner be informed accordingly.

(True Extract.)
