OFFICE NOTE No. 895

Encs. —

In continuation of my O.N.
No. 812 dated 28th. January 1886 and
with reference to G. O. No. 363 W.
dated 29th. January 1886, I beg to
state that the total audits to end
of January 1886 as compared with
grants are as follows:—

Audits for 10 months.	Grants.
19,04,246	23,33,932

Basing my calculation on
the above and making provision for
unforeseen contingencies, the probable
audits to end of year will amount to
about Rs. 23,00,000. There will thus
be about Rs. 35,000 available for
transfer to works if necessary.
