SIR,

Enclosures.

With reference to your Memo-
randum N. 2046 C dated 4th December
1885, I have the honour to explain that
the old site for a new Sub Divisional
Office at Madhanapully is consider-
ed unsuitable and unwholesome on
account of its situation in the midst
of a Pariah Village

2. There is no probability of
a new Sub Divisional Office being
erected at Madhanapully as the
proposal was negatived by Govt.

The proposal to
provide a residence
for the Sub Divisional
Office was
negatived.

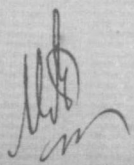

in G.O. No. 2258 W dated 29th September 1851.

3. The proposed new site is on high well drained land; and when wanted it can be secured free of cost as it belongs to Government.
4. The old site is likely to fetch about Rs 30 but the sale will have to be conducted by the Revenue Dept.
5. The old materials obtained from the dismantled building were found to be quite useless; and they have been already sold by public auction for Rs 48.
