Sir,

In forwarding the accompanying
copy of Proceedings of Govt. No. 621 W
dated 8 March 1886, I am directed
to request that a sum of Rs. 9,000,
being the balance of the estimate for
the New Post office at Madras, may
be provided for expenditure in 1886-
87, and to state that, as the work
was expected to be completed before
the close of the current official year,
it was not included in the schedule
of requirements on account of Imperial
Civil Buildings, Roads and Services,
forwarded with my endorsement
No. 2233 W dated 24th September
1885.

2. The delay in completing
the work is due to the
late date on which
the Commissariat mule
lines were handed over
to the P. W. Dept. for
conversion into service
stables for the Post Office.
