SIR,

Enclosures.

I have the honor to request that Government will be pleased to confirm Jamaldeen Saib in his appointment of Storekeeper in the Lower Sub Division of the Karnool Division salary Rs. 25.

2. He was appointed to the said post in March 1885, when it was supposed that age and health Certificate were not necessary in his case as he was employed previously in the Educational Dept. and thrown out of employ owing to reductions in that Department.

3 The Examiner has however called
for a fresh Health and age Certificate;
this has been since produced in which
the age of the Candidate is given as 32
years. Formal sanction is therefore
required to his appointment to which he
is well qualified in other respects.

I have the honor to be

U. O. in return

Sir,

In forwarding the accompanying copy of Proceedings of Govt. No. 621 W dated 8 March 1886, I am directed to request that a sum of Rs. 9,000, being the balance of the estimate for the New Post office at Madras, may be provided for expenditure in 1886-87, and to state that, as the work was expected to be completed before the close of the current official year, it was not included in the schedule of requirements on account of Imperial Civil Buildings, Roads and Services, forwarded with my endorsement No. 2233 W dated 24th September 1885.

2. The delay in completing the work is due to the late date on which the Commissariat mule lines were handed over to the P.W. Dept. for conversion into service stables for the Post Office.
