Sir,

In forwarding the accompanying copy of Proceedings of Govt. No. 1221 W dated 8 March 1886, I am directed to request that a sum of Rs. 9,000, being the balance of the estimate for the New Post office at Madras, may be provided for expenditure in 1886-87, and to state that, as the work was expected to be completed before the close of the current official year, it was not included in the schedule of requirements on account of Imperial Civil Buildings, Roads and Services, forwarded with my endorsement No. 2233 W dated 24th September 1885.

2. The delay in completing the work is due to the late date on which the Commissioner's mule lines were handed over to the P. W. Dept. for conversion into service stables for the Post Office.
