To

The Secretary to the

Public Works Department.

Fort William, 23rd February 1886.

Sir,

In reply to your letter No. 363 W., dated 10th instant, I am directed to state that the orders contained in Public Works Department letter No. 25 G., dated 7th ultimo, do not supersede those contained in Public Works Department letter No. 37 G., dated 8th January 1884 authorizing sub. pro tem. promotions being made in the room of Upper Subordinates appointed temporary Engineers.

2. I am to repeat that as ruled in the first quoted letter the salaries of temporary employes are personal and not attaching to posts. Hence Upper Subordinates of the regular establishment when employed as such, and not as temporary Engineers can draw the pay of their grade only and nothing more and no sub. pro tem. promotion can be made in their place.

I have the honour to be,

Sir,

Your most obedient servant,
