SIR,

In reply to your No. 54 E, of 29th April 1884, I have the honor to state that while it can, perhaps, hardly be said that there are any special grounds for Mr. Evans' excemption, after discussion of the question with Col. Montgomerie, I agree with him that such exemption would be for the benefit of the state.

There is always a difficulty in obtaining qualified subordinates for temporary posts, and Mr. Evans' qualifications appear to be above the average of those who accept such employment.

An

An Examination in such subjects as Latin, History, Botany or Chemistry though doubtless useful in the case of a young man just entering life, as a test of general education is altogether out of place as applied to a man of over thirty who has had three years practical experience of the work required of him.

Mr Evans was for sometime employed in the Bombay Secretariat where no such examination as the one in question was required. Since his employment in this Office he has done his work extremely well and Col. Montgomerie considered it very desirable that his services should be retained if possible.

29TH JANUARY 1886, No. 267 W., PUBLIC WORKS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from R. F. CHISHOLM, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepâk, 27th January 1886, No. 1554:—

I have the honor to surrender a sum of Rs. 2,000 from the grant for the work "Making a new road in Government House-Chepâk park, and other improvements." The work is completed with a saving.

2. With reference to G.O., No. 2875 W., dated 2nd December 1885, I further beg to relinquish the sum of Rs. 7,000 from the allotment for converting the mules stables on the beach into horse stables. I think it unlikely that the Presidency division will complete the estimate just sanctioned for the additions to the Pudupet maidan stables before the close of the official year, and until the mules are turned out of the beach stables they (the stables) cannot be taken in hand.

ORDER—dated 29th January 1886, No. 267 W., Public Works.

In his letter above recorded the Consulting Architect surrenders Rs. 2,000 from the grant for opening a new public road and other improvements in the Chepâk park, which sum is resumed and added to the reserve with the Government under Provincial.

2. The sum of Rs. 7,000, surrendered from the grant for the new post office at Madras, is resumed and replaced at the disposal of the Director-General of Post Offices.
