Account.

READ—the following letter from R. F. CHISHOLM, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepâk, 27th January 1886, No. 1554:—

I have the honor to surrender a sum of Rs. 2,000 from the grant for the work "Making a new road in Government House-Chepâk park, and other improvements." The work is completed with a saving.

2. With reference to G.O., No. 2875 W., dated 2nd December 1885, I further beg to relinquish the sum of Rs. 7,000 from the allotment for converting the mules stables on the beach into horse stables. I think it unlikely that the Presidency division will complete the estimate just sanctioned for the additions to the Pudupet maidan stables before the close of the official year, and until the mules are turned out of the beach stables they (the stables) cannot be taken in hand.

ORDER—dated 29th January 1886, No. 267 W., Public Works.

In his letter above recorded the Consulting Architect surrenders Rs. 2,000 from the grant for opening a new public road and other improvements in the Chepâk park, which sum is resumed and added to the reserve with the Government under Provincial.

2. The sum of Rs. 7,000, surrendered from the grant for the new post office at Madras, is resumed and replaced at the disposal of the Director-General of Post Offices.

From the Director-General of the Post Office of India, to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, the 8th February 1886, No. 14380.

In reference to your No. 310 C., of 23rd January 1886, I have the honor to inform you that the grants placed at my disposal for postal works in the current year have all been expended, and I regret therefore I am unable to ask the Government of India for a re-appropriation of Rs. 830 from some other circle to meet the cost of the work at Bhadráchalam.

2. I presume, however, that you will be able to reserve the sum of Rs. 830 out of the allotment made for postal works in Madras in 1886-87.

3. I was not aware that I should have to provide funds in this year for the three works noted in the margin, and as the sums had not been expended in 1884-85, when they were sanctioned, and the remark "no funds available" was noted opposite each in the statement printed with G.O., No. 1563 W., of 6th July 1885, I concluded that the sanctions had lapsed, and that the works would not be taken up in the current year without fresh sanctions being obtained.
