THE

Chief Engineer
P.W. Department.

SIR,

Enclosures.

In G. O. No. 1162 dated 18th May
1885, sanction was given to the order
of 1881 being carried out for dismant-
ling the old buildings in the Fort
at Tripasore, as they became vacant.
Some of the buildings had been
for a long time in occupation, free
of rent by persons who were not
Military Pensioners. They had
no claim to occupy the buildings
rent free, and were required
either to vacate, with the view
to have the buildings dismantled,
or to pay rent. The rent recover-

- ed -

Recovered from those who re-
mained in occupation, has
been at ten per cent of their
incomes, with reference to G.O.
N^o. 2011 W dated 15th August 1884.

The Examiner considers that the
authority of Government is neces-
sary to the rent thus paid;
and I have the honor to recommend
that Sanction may be given. There
were only two of these occupants; the
one with a monthly income of Rs. 5
paid, up to December 1885 (he has
since died) a rent of annas
eight a month. The other with
a monthly income of Rupees 36
paid rent at Rs. 3 a month.

I have the honor to be
Sir
Your most Obedt. Servant
