PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following

From the Inspector General of Police, Madras,
No. 6723, dated 26 November 1885.

I have the honor to submit the following
for the orders of Government.

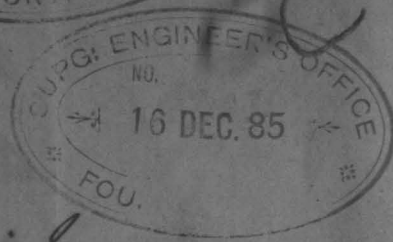

On an Assistant Superintendent
being appointed to officiate in Cotacamund,
Mr. Shortt (the Special Inspector) was
transferred to Coonoor and the 3rd class Inspector
Macnamara who had been occupying
public quarters free of rent at Wellington
was transferred to Cotacamund to work under
the Assistant Superintendent. As Coonoor
is the most important and central of the Stations
in Coonoor Division and as the house at
Wellington vacated by Inspector Macnamara
was not suitable for occupation by Mr. Shortt,
I ordered the latter to make Coonoor his Head
Quarters. In consequence of these transfers

Mr. Macnamara is also entitled to draw house rent at Rs 25 allowed for Inspectors of Police on the Nilgiris under GO No. 1736, dated 26th October 1862 J. D. But the Accountant General has objected to Mr. Macnamara drawing the house rent, as the sanction contained in the GO not having been acted upon in the case of any other Inspector than Mr. Short for more than one year has lapsed except as regards Mr. Short under Chapter 9 Section 10 of the Account Code and has desired me to obtain fresh sanction of Government. I therefore request that Government may be pleased to renew the sanction accorded in the above quoted GO so that Mr. Macnamara also may draw the house rent from 1 July 1885.

2. Now as the public quarters at Wellington have become vacant, the European Head Constable at that station has been ordered to occupy them whereby a monthly saving of Rs 10... (which is the house rent allowed to him) is effected. Before this, Mr. Macnamara occupied it free of rent

under GO No. 1196 dated 18 April 1866, P. W. D. And a monthly saving of Rs 25 was effected. But the Executive Engineer, Nilgiri Division, has in accordance with the wishes of the Examiner of P. W. Accounts, Madras, stated, that the above GO has been superseded by the P. W. Code rules and has requested me either to obtain fresh sanction for exemption or to recover rent at Rs 16 per mensem for these quarters. It is not understood how this sum is arrived at. As it has, however, been decided in GO No 3178 Mys., dated 2 November 1885 J. D., that GO No 2323 W. dated 7 October 1885 applies only to the officers mentioned in the Government of India letter embodied in the latter GO. I think the Police Inspectors can be made to pay rent only at 3 per cent as fixed in GO No 209 dated 29th January 1875, J. D. But as in this case Rs 10 is allowed as house rent for the Head Constable, I request the sanction of Government for the same amount being paid to the D. P. W. as rent for the quarters at Wellington or for the Head Constable altogether being exempted from payment.

of rent, whereby a monthly saving of Rs 10
is effected.

Order, 9th December 1885, No. 3347/Ms

Payment of house rent to Inspector

Macnamara at Rs 25 (twenty five) a month
from the 1st July 1885, as recommended by
the Inspector General of Police is sanctioned.

2. Para 2 of the Inspector General's
letter will be referred to the Public Works
Department for remarks.

In returning herewith the

Quarters at Wellington, received
with your endorsement No. 788
of 17th December, 1885, I have the
honor to report that it was
all along understood that the
Inspector at Wellington was
allowed free quarters, as no
rent had ever been recovered

Inspector there, inquiry was made of the Wellington Inspector as to the authority under which he occupied quarters free of rent. On this the Inspector General of Police in his letter No 5598 of 30th September 1885 explained that under para 2 of the Superintending Engineer's letter embodied in G. O. No 1196 of 18th April 1866 P. W. Department, recovery of rent for Inspector's quarters at Wellington was not contemplated as thereby a monthly saving of Rs. 25 in house rent allowed to Inspectors on the Nilgiris was effected.

2. The Examiner P. W. Accounts to whom the matter was referred, contends, on the other hand, that "the old orders have been superseded by the Code rules and that rent must be paid henceforward in accordance therewith. If

If exemption or reduced rents are thought advisable, it will be necessary to obtain Government sanction afresh."

3. Under these circumstances, the Inspector General was called upon in this office No 2117 of 14th November 1885, to recover rent from the Inspector at Rs. 16 per annum, with reference to Code para 1229 and G. O. No 2944 W of 28th November 1884, which was arrived at as follows:—

Book value of Building — Rs. 7,000
 Cantonment Magistrate's Court 2478
 Police Inspector's House = 1345 } 3823
 3823 Sq. feet ————— = 7000 Rs.
 $1345 - \text{do} - = \frac{1345 \times 7000}{3823} = 2462 \text{ Rs.}$
 The value of Inspector's House = 2462 "
 rent at 7.5 per cent = 184 "
 or say per month 16 Rs.

(True Copy) Submitted to the
Chief Engineer P.W. Department
with reference to his endorsement
No. 2150 C of 14th December 1885,
herewith returned.

The Executive Engineer explains
that the demand for house rent
for the Inspector's quarters at
Wellington was made owing to
the Examiner of P.W. Accounts
having stated that "if exemption
or reduced rents are thought ad-
visable it will be necessary to
obtain Government sanction
afresh;" the building was therefore
valued and a rent of Rs. 16 fixed.
