To W.

Your O.N. No. 1280 C. dated 30th.
March 1886.

The only forms that this
Office would need to alter are
those relating to the Monthly
Accounts submitted to the Accountant.
General P.W.D., and as these are
not to be changed till the 1st.
April 1887, India's letter may be
recorded for the present.

GOVERNMENT OF INDIA.
PUBLIC WORKS DEPARTMENT.
GENERAL.

Fort William, March 18, 1886.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, British Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor General for Central India, Rajputana, and Beluchistan.
The Accountant General, Public Works Department.
The Inspector General of Military Works.
The Director General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore, and Lucknow.
The Director General of Telegraphs in India.
The Director-in-Chief, Indo-European Telegraph.
The Director, Persian Telegraph.
The Director, Persian Gulf Telegraph.
The Superintendent of Works, Simla Imperial Circle.

The following is forwarded to the Local Governments, Administrations and Officers marginally noted, with intimation that the Government of India approves of the proposals contained therein.

By order,

Under Secy. to the Govt. of India.

Extract paras. 3 and 4 of a letter from the Examiner of Public Works Accounts, Bengal, No. 2036, dated 5th March 1886.

Para. 3. As regards Parts II A. and B. of the Form Book, I do not think it would be safe to rely on the contractor's getting the forms already supplied to him (*vide* para. 4 of my letter referred to above) ready for introduction during 1886-87, although it would have been advisable to bring the Booking and Establishment Registers into operation at once. I propose, if you have no objection, to make arrangements to have a sufficient number of these forms printed locally for my Office only, and would suggest that other Examiners may be directed to do so if they wish. This will not of course affect the uniformity in the monthly accounts, &c., which should continue to be prepared in the existing forms: it will only facilitate their preparation.

4. The indents for Public Works forms (Divisional as well as Examiner's) for 1886-87 were due on the 1st January last, and it is presumed that Examiners have already indented for the existing forms, and as the contractor cannot be relied upon to get any of the forms in Parts II A. and B. ready in time to meet the indents now in hand, I would suggest that the 1st April 1887 be fixed as the date on which all these forms should be brought into use, and that if Examiners wish to introduce any particular forms in the interval they may be printed locally, provided always that they submit *their* monthly accounts and returns in the existing forms throughout the year 1886-87. These, I think, are the only forms in which uniformity is absolutely necessary.
