Superintending Engineer, 6th Circle,

To,

The Chief Engineer
P. W. D.

Sir,

I have the honor to request you will be good enough to authorize the sale by public auction of the old materials of the old District Munsiff's bungalow at Shiyali in the Tanjore Division.

It is an old building and out of repair, the roof collapsed some time ago, & the Munsiff vacated the building; but this fact was not reported by the Executive Engineer at the time.

The building is not fit
for any purpose and is not
worth repairing in any way;
the site is Government pro-
perty and the Superintendent
of Police requires it for a
Police Station.

I have the honor to be
Sir

your most obedt servt
