3RD MARCH 1886, No. 165, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 10th February 1886, No. 372 :—

Read—the following letter from M. D. BELL, Esq., Acting Head Assistant Collector in charge, Bellary, to the Secretary to the Board of Revenue, dated 3rd February 1886, No. 361 :—

I have the honor to submit compensation statements Nos. 1 and 2 for the half-year ending 31st December 1885.

Statement No. 1.—There were no applications for transfer of lands pending disposal at the end of the half-year ending 31st July 1885, and no lands were applied for during the half-year ending 31st December 1885. Hence the statement is blank.

Statement No. 2.—At the end of the previous half-year, four cases covering 2 acres and 43 cents. were pending, nine cases covering 17 acres and $25\frac{1}{2}$ cents. were added during the half-year under report. Thus there were in all thirteen cases with 19 acres and $68\frac{1}{2}$ cents. One case covering 1 acre and 41 cents. was disposed of. Explanation has been furnished in the column for remarks in the statement as regards the still pending cases.

2. The nine cases shown in column 5 comprise such as were taken up by the Railway and the Public Works Departments without formal application to and sanction of the Revenue authorities or left out in previous year's returns by oversight. In respect of these, compensation was claimed by the concerned parties in the half-year under report. These cases have been omitted from statement No. 1.

ENCLOSURES Nos. 1 AND 2.—Compensation Statements.

Resolution—dated 10th February 1886, No. 372.

Submitted for the information of Government.

2. Statement No. 2 shows that in six cases land was taken up before any application was made or compensation settled.

SIR,

Enclosures.

1 statement

With reference to G.O. N^o 671 W
dated 13th March 1886, I have the honor
to submit a Statement received from the
Collector from which it will be seen that
out of the 9 cases of unauthorized occu-
-pation of land by the Railway and
P. W. Department reported by the Collector
only one concerns the P. W. Department.
Even in this single case, the fact of the
land having been taken up without
the concurrence of the Revenue Depart-
-ment is not satisfactorily established.

2. The Executive Engineer seems to
say that the land was made over to the

Sub Divisional officer by the Revenue Department vide remarks in the collector's Statement. But the collector states that no correspondence bearing on the subject is forthcoming in his Department. Apparently it was therefore assumed that the land was taken up without authority.

3. It is most probable that the transfer of the land was arranged for, through Demi official correspondence between the ^{two} Departments; for Mr. Goodrich, the then collector, wished to have the work commenced in anticipation of sanction of the Estimate; and in an official letter dated 19th Decr 1883 addressed by him to the Superintending Engineer, the following words occur.

"I made a remark in a demi official note to you concerning the site."

I have the honor to be
Sir.
