Pereira, late Supervisor, Public Works Department, the undersigned is directed to invite the attention of the Chief Engineer to note 3, to section 108 of the Civil Pension Code, and to inquire whether Mr. Pereira could not be given some sedentary work to the performance of which his lameness

MEMORANDUM.

[Memorandum from the Pension Department, No. 16, dated 12th January 1886.]

In reply to the memorandum quoted above, the Chief Engineer has the honor to state that endeavours were made to provide Mr. Pereira with a suitable appointment on the permanent establishment of the Public Works Department, but without success. It was after this that Mr. Pereira was directed to submit his application for pension. Mr. Pereira is at present doing duty as a temporary draftsman, on Rs. 100 per mensem, in the office of the Engineer-in-Chief, Madras State Railway Surveys. His salary, when a supervisor in the Public Works Department, was Rs. 150, and if suitable employment can be found for him in any other department, the necessity for pensioning him will be obviated. Draftsmen of the first class on the permanent establishment of the Public Works Department receive only Rs. 50—70 per mensem. The appointment at present held by Mr. Pereira is a temporary one only, and he may be thrown out of employ at any time.

The pension application received will be returned to the Superintending Engineer, III Circle, with a request that full particulars as to Mr. Pereira's past character may be entered in it.
