 they may be supplied at the

Sir,

Government were good enough, vide  
G. O. No. 865 of 31<sup>st</sup> March 1886, to allow the Municipality  
to have three (3) lakhs of bricks at 12 1/4 Rs per thousand.  
The Municipality failed to get a contractor for their Brick  
Field, and I have the honor to enquire before resuming  
work, departmentally, whether Government would be  
willing to supply the Municipality with not less than  
(1) one lakh of bricks per month for two years, and at  
what rate. Twenty four lakhs would be taken with in  
two years, whether actually required within that period  
or not
