EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 13th March 1885, No. 1532.

I have the honor to submit, duly countersigned, a plan and estimate, amounting to Rs. 22,920, for certain additions to the Wesleyan Mission high school buildings at Royapetta. A building grant of Rs. 8,000 was sanctioned for the school in 1862. Since then the strength of the school has considerably increased, and additional accommodation has been found necessary. Provision is also to be made for a library and for store and tiffin rooms. In these circumstances I beg to recommend that a grant of Rs. 7,640, being one-third of the entire estimate, be sanctioned, on condition that the grant be paid in two equal annual instalments—one to be paid on the 1st April 1886 and the other on the 1st April 1887—and that the Public Works department certify to cost and proper progress or completion of work, as the case may be, before payment of the instalments. The estimate was prepared by the Executive Engineer, Presidency, in accordance with the plan submitted by the manager of the school. The charge will be met from the budget provision for building grants.

ORDER—dated 25th March 1885, No. 200, Educational.

The proposed grant, on the conditions specified, is sanctioned.
