From F. BRICKWELL, Esq., to the Secretary to Government, Public Works Department, dated Sawbridgeworth, Herts, 7th February 1886.

I have the honor to enclose a copy of a letter from the Assistant Accountant-General's office to my agents, Messrs. Binny and Co., stating that I am required to attend twice a year in person at Madras to enable me to draw my pension.

2. I have the honor to request you will be so good as to procure the required exemption or to signify your objection to do so, in order that I may take other steps in the matter at an *early* date.

3. I may mention that I have drawn the pension since 1880 without having to comply with any such regulation, which, I presume, is a new one, and that as I am living in England, it is not convenient to attend.

4. My pension was sanctioned in G.O., Pension Department, dated 24th March 1880, No. 222. I retired as Executive Engineer, 4th grade, in charge of Vizagapatam division, in January 1880 or December 1879.

From H. S. GROVES, Esq., Assistant Accountant-General, to Messrs. Binny and Co., Madras, dated Fort St. George, 18th January 1886.

In returning Mr. Francis Brickwell's permanent pay order, I have the honor to state that pensioners, except those exempted by Government, should (in January and July) appear in person at this office. As Mr. Brickwell did not so appear on the day on which his pension was last paid on the 9th instant, I request you will inform him that his pension for the current month will not be paid till he appears in person at the Pension office, or obtains the order of Government exempting him from personal appearance.

Pension Department.

With reference to your endorsement, No. 320, dated the 20th of March 1886, referring to me, for report, letter from Mr. F. Brickwell, dated 7th February 1886, requesting that he may be exempted from personal appearance at this office, I have the

honor to state that, as Mr. Brickwell was not exempted by Government from personal appearance as required by section 169 of the Civil Pension Code, this office requested Messrs. Binny and Co., by whom his pension bills were presented for payment, to inform him that he should either get himself exempted by Government from personal appearance or arrange to appear in person.

2. Mr. Brickwell's pension bill up to 31st March 1885 was disbursed by this office upon a life-certificate signed by the Collector, Kistna, while the bill for pension due up to 31st July 1885 was paid upon a certificate granted by the Rector of St. Cressingham, Norfolk, and that up to November 1885 by Mr. Henry A. Lypsecomb, whose profession and the place where the certificate was granted are not mentioned. Should Mr. Brickwell continue to reside in England and desire to draw his pension through his agents in India, he may be permitted to do so, but his agents must either produce a certificate by a magistrate, a notary, a banker, or a minister of religion, on each occasion, that the pensioner was alive on the date to which his pension is claimed, or execute a bond to refund over-payments, and produce such a certificate as aforesaid at least once a year.

3. I would add that, when his last pension bill was presented for payment, this office was not aware that Mr. Brickwell was residing in England.

4. The endorsement under reply and its enclosures are herewith returned.

ORDER—dated 8th May 1886, No. 464, Pension.

Mr. Brickwell will be informed that, should he continue to reside out of India and desire to draw his pension through his agents in this country, the latter must either produce a certificate by a magistrate, a notary, a banker, or a minister of religion, on each occasion, that he (Mr. Brickwell) was alive on the date up to which his pension is claimed, or else execute a bond to refund over-payments, and produce such a certificate as aforesaid at least once a year.

2. If Mr. Brickwell, however, desires that payment of his pension should be made at the Home Treasury of the Government of India, he should forward an application to that effect to the Accountant-General, Madras.
