8TH MARCH 1886, No. 210, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Acting Chief Secretary to Government, Financial Department, dated Fort St. George, 14th January 1886, No. 97.

Book Department.

In reply to Proceedings of Government in the Financial Department, No. 1300, dated the 21st September 1885, inquiring in whose names certain trusts stand and directing me to suggest a second name where only one exists, I have the honor to state that all the investments belonging to the trusts particularized in the list attached to my letter incorporated in the proceedings above quoted have been converted into stock certificates in the name of the Accountant-General, interest being paid to the officers named in column 4 of the statement who are the administrators of the trusts.

2. I append a statement in which I have made suggestions for the appointment of a second administrator to each trust. In the case of scholarships and prizes the Director of Public Instruction and the head of the school to which the endowments are attached appear to be the proper persons to fill the office of trustees, but I beg that the statement may be referred to the Director for approval.

The "Princess Alice scholarship" being payable in any school in the presidency on the results of the Special Upper Primary examination, the Commissioner for the Uncovenanted Civil Service Examinations has been suggested as the additional trustee to the Director of Public Instruction.

The "Barnett scholarship" being payable in any school in the Cuddapah district, the Inspector of Schools, 2nd division, is suggested as the second trustee.

The "Malayalam prize" being also not attached to any particular school, the Inspector of Schools, 6th division, may be the second trustee.

The "Brennen endowments" at Tellicherry. The Collector of Malabar and the Chaplain of Cannanore are two out of the four trustees suggested by the late Mr. Brennen himself.

The "Disabled Boatmen's fund" is administered by the Master Attendant and his Deputy.

The "Albert Edward scholarship" is paid to a private school in Masulipatam and therefore the Collector of Kistna and the Director of Public Instruction are suggested as trustees.

The investment on account of the "Lawrence Asylum" might be in the names of the Collector of Nílgiris and the Director of Public Instruction.

The "St. Mary's Church Fund" is operated upon by the Garrison Chaplain and therefore that officer and the Chief Secretary may be trustees.

The "Woolley Bequests" were originally invested in the names of the Chief Secretary and the Accountant-General, and therefore these two names are now suggested.

The "Village Service and Irrigation Cess Funds." The Collectors and Treasury officers of the districts may be joint trustees.

3. In conclusion, I would beg to inquire whether, if two trustees are appointed to each endowment, the interest realized from the endowment may be paid to or under the directions of either of them.

Confidential.

No. 289 C.

Referred to the Director of Public Instruction for remarks as to the selection of trustees in the case of endowments for scholarships and prizes.

W. WILSON,
Acting Chief Secretary.

13*th February* 1886.

To the Director of Public Instruction, in original, to be returned.

From D. DUNCAN, Esq., M.A., D.SC., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 19th February 1886, No. 1178.

In returning the endorsement of Government, No. 289 C., of the 13th instant, I have the honor to state that the trustees suggested by the Accountant-General in the case of endowments for scholarships and prizes may be approved by Government except in the following cases :—

(1) Tirumalachariar's Bittleston prize.
(2) Do. Scotland prize.
(3) H. G. Smith prize.
(4) Prince of Wales Sanskrit scholarship.
(5) Princess Alice scholarship.
(6) Malayalam prize.

In the case of first, second and sixth, I would recommend the Inspector of Schools, Presidency division, as the second administrator, as the first two are not attached to the Presidency College but are awarded on the University results irrespective of the college in which the candidate might have studied, and as the sixth is attached to the Madras School-book and Vernacular Literature Society. As regards third and fourth, I would recommend the Inspectors of Schools, 2nd and 1st divisions respectively, as these officers recommend the candidates. For the same reason I would suggest the Inspectress of Girls' Schools for the Princess Alice scholarship.

2. As the designation of the head of the following Government institutions is "Head Master" and not "Principal" as stated by the Accountant-General, I beg to request that the necessary corrections be made in the Accountant-General's statement :—

Calicut College.	Mangalore College.
Cuddalore College.	Madura College.

Madrissa-i-Azam.

ORDER—dated 8th March 1886, No. 210, Financial.

The statement as amended in accordance with the suggestions of the Director of Public Instruction is approved and will be circulated for the information and guidance of the officers concerned, in continuation of G.O., No. 1300 F., dated 21st September 1885. It will also be published in the *Fort St. George Gazette* with these orders.

2. The Accountant-General will consult the Government Solicitor on the subject of paragraph 3 of his letter, No. 97, dated 14th January 1886, recorded above.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Acting Chief Secretary to Government, Financial Department, dated Fort St. George, 14th January 1886, No. 97.

Book Department.

In reply to Proceedings of Government in the Financial Department, No. 1300, dated the 21st September 1885, inquiring in whose names certain trusts stand and directing me to suggest a second name where only one exists, I have the honor to state that all the investments belonging to the trusts particularized in the list attached to my letter incorporated in the proceedings above quoted have been converted into stock certificates in the name of the Accountant-General, interest being paid to the officers named in column 4 of the statement who are the administrators of the trusts.

2. I append a statement in which I have made suggestions for the appointment of a second administrator to each trust. In the case of scholarships and prizes the Director of Public Instruction and the head of the school to which the endowments are attached appear to be the proper persons to fill the office of trustees, but I beg that the statement may be referred to the Director for approval.

The "Princess Alice scholarship" being payable in any school in the presidency on the results of the Special Upper Primary examination, the Commissioner for the Uncovenanted Civil Service Examinations has been suggested as the additional trustee to the Director of Public Instruction.

The "Barnett scholarship" being payable in any school in the Cuddapah district, the Inspector of Schools, 2nd division, is suggested as the second trustee.

The "Malayalam prize" being also not attached to any particular school, the Inspector of Schools, 6th division, may be the second trustee.

The "Brennen endowments" at Tellicherry. The Collector of Malabar and the Chaplain of Cannanore are two out of the four trustees suggested by the late Mr. Brennen himself.

The "Disabled Boatmen's fund" is administered by the Master Attendant and his Deputy.

The "Albert Edward scholarship" is paid to a private school in Masulipatam and therefore the Collector of Kistna and the Director of Public Instruction are suggested as trustees.

The investment on account of the "Lawrence Asylum" might be in the names of the Collector of Nílgiris and the Director of Public Instruction.

The "St. Mary's Church Fund" is operated upon by the Garrison Chaplain and therefore that officer and the Chief Secretary may be trustees.

The "Woolley Bequests" were originally invested in the names of the Chief Secretary and the Accountant-General, and therefore these two names are now suggested.

The "Village Service and Irrigation Cess Funds." The Collectors and Treasury officers of the districts may be joint trustees.

3. In conclusion, I would beg to inquire whether, if two trustees are appointed to each endowment, the interest realized from the endowment may be paid to or under the directions of either of them.

8TH MARCH 1886, No. 210, FINANCIAL.

No. 289 C.

Referred to the Director of Public Instruction for remarks as to the selection of trustees in the case of endowments for scholarships and prizes.

13*th February* 1886. W. WILSON,
Acting Chief Secretary.

To the Director of Public Instruction, in original, to be returned.

From D. DUNCAN, Esq., M.A., D.SC., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 19th February 1886, No. 1178.

In returning the endorsement of Government, No. 289 C., of the 13th instant, I have the honor to state that the trustees suggested by the Accountant-General in the case of endowments for scholarships and prizes may be approved by Government except in the following cases :—

(1) Tirumalachariar's Bittleston prize.
(2) Do. Scotland prize.
(3) H. G. Smith prize.
(4) Prince of Wales Sanskrit scholarship.
(5) Princess Alice scholarship.
(6) Malayalam prize.

In the case of first, second and sixth, I would recommend the Inspector of Schools, the Presidency division, as the second administrator, as the first two are not attached to college in which the candidate might have studied, and as the sixth is attached to the Madras School-book and Vernacular Literature Society. As regards third and fourth, I would recommend the Inspectors of Schools, 2nd and 1st divisions respectively, as these officers recommend the candidates. For the same reason I would suggest the Inspectress of Girls' Schools for the Princess Alice scholarship.

2. As the designation of the head of the following Government institutions is "Head Master" and not "Principal" as stated by the Accountant-General, I beg to request that the necessary corrections be made in the Accountant-General's statement :—

Calicut College. | Mangalore College.
Cuddalore College. | Madura College.
Madrisa-i-Azam.

ORDER—dated 8th March 1886, No. 210, Financial.

The statement as amended in accordance with the suggestions of the Director of Public Instruction is approved and will be circulated for the information and guidance of the officers concerned, in continuation of G.O., No. 1300 F., dated 21st September 1885. It will also be published in the *Fort St. George Gazette* with these orders.

2. The Accountant-General will consult the Government Solicitor on the subject of paragraph 3 of his letter, No. 97, dated 14th January 1886, recorded above.
