SIR,

In submitting for favourable
consideration the accompanying application
from the Executive Engineer at No. I Tank
Division for medicine chests for the use
of the Survey Establishment working
in malarious parts of the District,
I have the honor to state that the supply
of medicine chests to such parties would be
in every way advantageous. The
circumstances under which the application
is made are in all respects similar
to that made by the Executive Engineer
at No. III Tank Division to which sanction
was accorded and I think if a similar
number of medicine chests viz. 3 costing

Rs

Rs 32-2-10 were sanctioned they
would be sufficient to meet the requirements
of the No. 1 Tank Division.

Sir,

I very much regret to report that Sub-Surveyors A. Natarajaper and C. Kooppoochamper are suffering from Malarial fever, the result of encamping out here in the Sengpudi Valley and I have just permitted them to return to Palney for medical treatment. Of the laborers about half are also sick and great difficulty is experienced in procuring substitutes for them as the dread of the fever is great hereabouts. Our encampment here is unavoidable as the distance is too great for the work for the work to be done from Palni 12 miles or even from the nearest place Villager 9 miles. I therefore beg to be

Sir,

Enclosures. /

I have the honor in forwarding copy of the enclosed letter, to request the favor of your reconsidering your decision respecting the supply of medicines for survey parties vide this office No. 364 dated 24th July 1885. I am unable to find anything in the present Madras G. O. No. 268, sanctioning or forbidding such supplies except that when a subordinate wishes a check for the use of his family he can have an advance. Medicines used to be supplied to State Railway Survey Parties and I think their supply to those parties working near the hills would be economical. Half the number of survey parties have been absent owing to fever.

I have the honor to be,

Certificate and report from D. C. GORDON, Esq., Examiner, Public Works
Accounts, to the Acting Under Secretary to Government, Pension Depart-
ment, dated Madras, 24th February 1886, No. 901-A—R.

Certified that should Government be pleased to accept the medical officer's opinion
and that of the Executive Engineer, Godáviri Eastern Division, regarding the correct
date of his birth and treat the period of the applicant's services from 1st January 1849
to 31st March 1868 as qualifying on the strength of the applicant's affidavit,
statements of two contemporary servants and on the specific opinion of the head of office
that "the service claimed by the applicant is established and should be admitted,"
qualifying service in inferior grades will amount to 36 years 11 months and 14 days,
and that an invalid pension, not exceeding Rs. 3 (three) per mensem, equal to half of
his pay at Rs. 6 per mensem, will be admissible from the date of relief under sections
106 and 121 (b) of the Civil Pension Code. The calculations have been duly verified.
The invalid pension, if sanctioned, is chargeable to General (now Provincial) Revenues.

2. With reference to section 134, rule 4, attention is invited to section 69 of the
Civil Pension Code.

ORDER—dated 12th March 1886, No. 268, Pension.

Under sections 106 and 121 (b) of the Civil Pension Code (6th edition), the
Right Honorable the Governor in Council is pleased to grant to Talari Seshigadu, late
Anicut Lascar, Conservancy Establishment, Godáviri Eastern Division, an invalid
pension of Rs. (3) three per mensem, payable at Rajahmundry from the date of receipt
of this order, in consideration of his qualifying inferior service of 36 years 11 months
and 14 days.

2. The retention of the applicant in the service up to the date of receipt of this
order is sanctioned under rule I, section 109, of the above code.

3. The Government accept the medical officer's opinion and that of the Executive
Engineer, Eastern Division, regarding the correct date of the applicant's birth.
