Certificate and report from D. C. GORDON, Esq., Examiner, Public Works Accounts, to the Acting Under Secretary to Government, Pension Department, dated Madras, 24th February 1886, No. 901-A—R.

Certified that should Government be pleased to accept the medical officer's opinion and that of the Executive Engineer, Godávari Eastern Division, regarding the correct date of his birth and treat the period of the applicant's services from 1st January 1849 to 31st March 1868 as qualifying on the strength of the applicant's affidavit, statements of two contemporary servants and on the specific opinion of the head of office that "the service claimed by the applicant is established and should be admitted," qualifying service in inferior grades will amount to 36 years 11 months and 14 days, and that an invalid pension, not exceeding Rs. 3 (three) per mensem, equal to half of his pay at Rs. 6 per mensem, will be admissible from the date of relief under sections 106 and 121 (*b*) of the Civil Pension Code. The calculations have been duly verified. The invalid pension, if sanctioned, is chargeable to General (now Provincial) Revenues.

2. With reference to section 134, rule 4, attention is invited to section 69 of the Civil Pension Code.

Order—dated 12th March 1886, No. 268, Pension.

Under sections 106 and 121 (*b*) of the Civil Pension Code (5th edition), the Right Honorable the Governor in Council is pleased to grant to Talari Seshigadu, late Anicut Lascar, Conservancy Establishment, Godávari Eastern Division, an invalid pension of Rs. (3) three per mensem, payable at Rajahmundry from the date of receipt of this order, in consideration of his qualifying inferior service of 36 years 11 months and 14 days.

2. The retention of the applicant in the service up to the date of receipt of this order is sanctioned under rule I, section 109, of the above code.

3. The Government accept the medical officer's opinion and that of the Executive Engineer, Eastern Division, regarding the correct date of the applicant's birth.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

Read—the following paper :—

G.O., dated 22nd February 1886, No. 1146, Military.

Read—the following letter from the Adjutant-General, dated 17th February 1886, No. N. A.—Pensioners—325 :—

No. 2744, dated 15th ultimo, with report.

I have the honor, by direction of the Provincial Commander-in-Chief, to forward, for the information of Government, the letter as per margin from the Superintendent of Pensions, submitting a report on the employment of pensioners of the Madras Native Army in civil capacities, and to say that Lieutenant-General Rowlands is of opinion that the scheme has been attended with success during the first year of its trial, the number of military pensioners who are now in civil employment having increased by over 500, after deducting 370 casualties by death, resignation, &c.

Enclosures.

From the Superintendent of Pensions, dated 15th January 1886, No. 2744.

I have the honor to forward, for the information of the Provincial Commander-in-Chief, a report and return regarding the employment in a civil capacity of pensioners of the Madras Native Army.

Report by Colonel J. W. CLELAND-HENDERSON, Superintendent of Pensions, on the employment of pensioners of the Madras Native Army in civil capacities, dated Fort Saint George, 15th January 1886.

The report, dated 23rd July 1885, after the scheme had been in working order for about seven months, showed 283 pensioners in employment.

Between that date and the 31st December 1885—a period of five months—the number for whom employment has been found is 596.

Of this number, 133 resigned employment and four were removed—one for negligence, and three (warders) for acting contrary to rules.

The total number in employment on 31st December 1885 being 742.

This result, after about one year, must be considered very satisfactory, and the Superintendent is of opinion that this is due somewhat to the last report having been brought prominently before the public by appearing in the local "Mail."

Of the 1,773 pensioners mentioned in the last report as having found employment for themselves, prior to the introduction of the scheme, 1,543 remain in employment, showing a decrease of 230 from deaths, resignation, &c.

As stated in the previous report, application for pensioners should be made to the different officers in charge of pensioners, of whom there is one in nearly every town in the presidency—*vide* page 176, Madras Quarterly Army List—and any particular information on the subject can be supplied by the Superintendent of Pensions, Fort Saint George.

Return showing the number of pensioned soldiers of the Native Army employed in civil capacities.

SIR,

In submitting for favourable consideration the accompanying application from the Executive Engineer No. I Tank Division for medicine chests for the use of the Survey Establishment working in malarious parts of the District I have the honor to state that the supply of medicine chests to such parties would be in every way advantageous. The circumstances under which the application is made are in all respects similar to that made by the Executive Engineer No. III Tank Division to which sanction was accorded and I think if a similar number of medicine chests viz: 3 costing

Rs

Supplied with

Rs 32-2-10 were sanctioned they would be sufficient to meet the requirements of the No I Tank Division.
