23rd March 1886, No. 779 W., Public Works.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General
Establishment.

Read—the following papers :—

From A. A. G. MALET, Esq., Executive Engineer, Sangam Project Division, to the Superintending Engineer, II Circle, dated Sangam, 3rd February 1886, No. 466.

Owing to the death of A. Runganathum Mudaliar, and the sanction of a temporary clerk on Rs. 40—50 in the division office, sanctioned in G.O.. No. 2885 W., of 3rd December 1885, I have the honor to inform you that I find the following changes in the distribution of the establishment necessary to allow of work being carried on conveniently.

2. I propose to transfer P. Setu Row, now temporary cashier, Kanigiri sub-division, to the division office as clerk on Rs. 40—50. He has worked in the division office before as assistant to the accountant, and is qualified for the post.

3. A. Gopauliah, Sangam detached officer's clerk, to be temporary cashier, Kanigiri sub-division, in place of P. Setu Row.

4. Gopauliah is qualified for the post, and I have selected him as the most suitable man.

5. K. Subba Row, anicut superintendent's writer, to act as sub-divisional clerk, Kanigiri.

6. K. Narsinga Row, clerk under overseer Ramiah Pantulu, to act as detached officer's clerk, Sangam.

7. These two last men are unpassed men, and are therefore not qualified for the posts of sub-divisional clerk and detached officer's clerk. I do not propose to give them the full pay of the appointment, viz., Rs. 20—30; but require the sanction of the Government to appoint two temporary clerks on Rs. 15 each in place of the sanctioned Kanigiri sub-divisional clerk and the Sangam detached officer's clerk.

8. I have selected these men owing to their capabilities and knowledge of the work in hand.

9. As this division will not, in all probability, last much longer, at the most I suppose about 1½ years, I do not think it advisable to fill up the sub-division and the detached officer's clerks' posts permanently.

10. Doing this would involve loss of time in advertising for qualified men. Good men would not take up the posts for such a short period, and they would be ignorant of all work connected with the division.

11. None of these objections exist if my arrangements are approved of, and I have therefore the honor to request sanction to them.

12. The two temporary clerks on Rs. 15 each have to be sanctioned with effect from the 3rd February 1886.

Endorsement on the above.

No. 1041 S.G.

Submitted to the Chief Engineer, Public Works Department, with the request that the Executive Engineer's proposal may be sanctioned. A statement of proposition of revision of the establishment concerned is herewith submitted.

Statement of proposition for Revision of Estt.

No. 382.
Saugam Project Division Office,
Saugam, 23rd November 1885.

79/8

From.

The Executive Engineer,
Saugam Project Division.

To,

The Superintending Engineer,
2nd Circle

Sir,

I have the honor to bring to your notice, that the existing permanent sanction for Draftsmen in this Division is:—

1 First Class Draftsman on Rs. 50-70.
1 Third —— Do —— 20-30.

2. The man who has held the third Class Draftsman's post since the commencement of the Project, has a 2nd Class Certificate. Owing to pressure of work in the Division since I took charge I have been obliged to refuse applications submitted by this man for posts drawing higher pay elsewhere. I anticipate similar difficulty this year, and if the Draftsman were to resign his post it would put me to great inconvenience. I have therefore the honor to request that the Draftsman Establishment of this Division may be altered to,

1 First Class Draftsman on Rs. 50-70.
1 Second class —— do —— on Rs 35-45.

3. I had great difficulty in obtaining a temporary Draftsman last August though I offered a salary of Rs. 40 per mensem. The man I at last got after advertising for 5 months, was a fresh hand who had only just passed out of the Madras College.

4. Should the third class Draftsman resign his post, I doubt if I shall be able to obtain another in his place, as judging by last year, the demand for the Draftsmen is greater than the supply.

I have the honor &c
(Signed) Allen A. G. Malet
Executive Engineer.
