PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read endorsement of the Financial

Department, dated 22nd March 1886, N^o 526, C. on endorse-
ment of the Public Works Dept: dated 17th March 1886, N^o 74
C, embodying Office Note from the Examiner Public
Works Accounts, dated 16th March 1886, N^o 936, regarding
the collection of Income Tax from persons whose sa-
laries are charged to works.

Order thereon, 26th March 1886, N^o 237.

The fact that the salaries are debited to
works and not to the head "Establishments" does
not affect the question as to who should collect the
tax due on them. If they are payable by Govern-
ment, the tax should be deducted, at the time
of payment by the officer paying it, under Sec.
Sec: 9(2) quoted by the Examiner refers to salaries
earned by employees of Companies, private persons
&c.
