To, The Acting Chief Secretary to
Government Fort St George

Sir,

I have the honor to submit an
estimate furnished by the Consulting
Architect to Government on account
of the cost of sinking a well in the
Compound of the Amir Mahal at the
instance of His Highness the Prince
of Arcot for the consideration of Govern-
ment. It is however observed that
it has been ruled by Government
in their G.O. No 899 H. dated 2nd April
1884 "P.W. D" that no additional charge
will be borne by the State on account
of work done at the said Premises,
but as the well in question is close
to the building it is apprehended
that there may be some danger to
the building itself. I would therefore
recommend that the Government may
be pleased to sanction the estimated
cost proposed by the Consulting
Architect to Government

I have the honor to be

Sir
