

4TH MAY 1885, No. 1043 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department (through the Examiner, Public Works Accounts), dated Pykara, 16th April 1885, No. 155 E.W.:—

With reference to G.O., No. 2430 W., of 2nd October 1884, I have the honor to request that the temporary sanction of a cashier to the Nilgiri division may be extended for one year from 1st April 1885, and that his pay may be increased to Rs. 50, and security to Rs. 500, under the circumstances reported in the Executive Engineer's letter, No. 90, of 13th instant, herewith forwarded.

2. Since the appointment was made the road from Kullar to Gudalur has been transferred to the care of this department, and it is very advisable, in view to the sub-divisional officer having more time for inspection purposes, that he should be relieved, as much as possible, of the duty of making petty payments to coolies; also that the payments to coolies should be made as frequently as possible. Hitherto, I understand, they have only been made once a month, which is objectionable.

3. With the aid of the cashier it is hoped that payments may be made more frequently, and, in consideration of the increased responsibility thrown upon him, it is recommended that his pay and the amount of his security should be increased.

ENCLOSURE.

From Major A. C. SMITH, R.E., Executive Engineer, Nilgiri division, to the Superintending Engineer, IV Circle, Coimbatore, dated Ootacamund, 13th April 1885, No. 90.

With reference to your endorsement, No. 499-N.I., of the 13th October 1884, on G.O., No. 2430 W., of 2nd idem, in which a report was required as to whether the appointment of cashier therein sanctioned should be made permanent, I have the honor to state that as explained in my letter to your address, No. 371, of 29th October 1884, the work of the cashier has been hitherto confined to making disbursements in the divisional office and other account and clerical work. This employment of him on duties other than the special work of a cashier was due, as you are aware, to the arrears in the division. As the office is now out of arrears, it will be no longer necessary to monopolise his services in the divisional office. I propose, therefore, that temporary sanction accorded in the Government order above quoted be extended for a period of one year,* and to employ the cashier in making payments on the main road taken over from the

* With effect from 1st April 1885.

Local Fund Board from 1st April 1885. This will relieve the sub-divisional officer, Mr. Lord, of the trouble of making petty payments, as the cashier will pay coolies, &c., travelling up and down the ghât from here to Kullar and Gudalur respectively. It is thought that this arrangement will keep one man fully engaged; and, as it is clear that the cashier's responsibilities will be thereby considerably increased, I propose that his pay should be raised from Rs. 30 to 50 and his security from Rs. 50 to 500, recoverable from him by monthly instalments of Rs. 10 per mensem. I shall accordingly feel obliged by your obtaining the sanction of Government to the above proposals.

2. A further report will be submitted at the expiration of the current official year, with a view to determine whether the appointment should be made permanent.

Endorsement on the above.

Si,

With reference to para 2 of my letter No. 90 of 13th April 1885, printed with G. O. No. 1043 W of 4th May 1885, I have the honor to request sanction to the continued employment of the cashier for another year, until which time I think it would be expedient to defer consideration of the question as to whether the appointment should not be made permanent.

2. I need scarcely add that the Cashier has been a great relief to the Sub Divisional Officer, especially in connection with Departmental payments on the

the Pety Gudalur road, and
his continued employment
is therefore very desirable.
