GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 23rd March 1886, Mis. No. 2185:—

Read—the following office note from Colonel J. SHAW-STEWART, R.E., Secretary to Government, Public Works Department, to the Secretary to Government, Revenue Department, dated Chepauk, 9th March 1886, No. 954-C:—

[G.O., No. 123 (Revenue), dated 15th February 1886.]

In paragraph 2 of the Resolution of the Board of Revenue, dated 7th January 1886, No. 39, embodied in the Proceedings quoted above, it is stated that the sum of Rs. 11,000 provided for expenditure in the current year on the landing stage below the Kistna anicut will be reduced by Rs. 2,800 in round numbers.

2. An estimate, amounting to Rs. 19,200, was sanctioned for the work in G.O., No. 1857-W., dated 4th July 1883. The expenditure on the work up to 1884-85 was Rs. 5,403, and the current year's grant is Rs. 11,000. The total probable expenditure up to March 1886 will therefore amount to Rs. 16,043. The sum of Rs. 2,797, being the balance of the estimate which will have to be provided for expenditure in 1886-87, cannot therefore reduce the current year's grant of Rs. 11,000.

3. Please have necessary orders issued amending the para. above referred to.

No. 1597.

Referred to the Board of Revenue for early remarks.

FORT ST. GEORGE,
11th March 1886.

(Signed) J. F. PRICE,
Ag. Secretary to Government.

Resolution—dated 23rd March 1886, Mis. No. 2185.

In the statement received from the Deputy Chief Engineer, Public Works Department, and printed in G.O., dated 30th January 1885, No. 123, Revenue Department, a sum of Rs. 11,000 was provided for expenditure in 1885-86 for completing the landing stage below the Kistna anicut. This sum together with the amount actually expended in 1883-84, and the probable expenditure in 1884-85, made up the full amount of the estimate sanctioned for the work, viz., Rs. 19,200. In the office note from the Secretary to Government, Public Works Department, communicated with G.O., dated 9th December 1885, Mis. No. 6833, Revenue Department, that officer proposed that Rs. 2,797 should be provided for completing the landing stage in Kistna in 1886-87. In the absence of information regarding the actual expenditure up to the end of 1884-85 and the probable expenditure in 1885-86, it was naturally assumed that the amount referred to, viz., Rs. 2,797, represented the balance of the provision of Rs. 11,000 which could not be spent within the current year. The provision was accordingly reduced by Rs. 2,797, and that sum was provided for in the budget of 1886-87. As it now appears that the actual expenditure up to the end of 1884-85 was less than the sum estimated by the Deputy Chief Engineer in the paper printed in G.O., dated 30th

January 1885, No. 123, the amount reduced by the Board will be re-allotted for expenditure during the current year and the sanction of Government is requested to its transfer to the Public Works Department.

Revenue Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following Proceedings of the

Board of Revenue, dated 23rd March 1886, No. 1285, on endorsement of the Revenue Secretary to Government dated 11th March 1886, H^o 1597 on Office Note from the Public Works Secretary to Government, of 9th March 1886, H^o 954 C.

Resolution.

In the statement received from the Deputy Chief Engineer P.W. D. and printed in L.O. dated 30th January 1885 H^o 123 R.D., a sum of Rs. 11,000 was provided for expenditure in 1885-86 for completing the landing stage below the Kistna Anicut. This sum together with the amount actually expended in 1883-84 and the probable expenditure in 1884-85 made up the full amount of the estimate sanctioned for the work, viz: Rs. 19,200. In the Office Note from the Secretary to Govt. P.W. D. communicated with L.O. dated 9th December 1885, No. 1633 R.D., that officer proposed that Rs. 2797 should be provided for

File 252

for completing the landing stage in Kistna in 1886-87. In the absence of information regarding the actual expenditure up to the end of 1884-85 and the probable expenditure in 1885-86, it was naturally assumed that the amount referred to (viz. Rs 2797) represented the balance of the provision of Rs 11,000 which could not be spent within the current year. The provision was accordingly reduced by Rs 2797 and that sum was provided for in the Budget of 1886-87. As it now appears that the actual expenditure up to the end of 1884-85 was less than the sum estimated by the Deputy Chief Engineer in the paper printed in G.O. dated 30th January 1885, No. 123, the amount reduced by the Board will be reallocated for expenditure during the current year and the sanction of Government is requested to its transfer to the P.W.D.

Rs 31/3/86

Order thereon, 26th March 1886, No. 241.

The provision made in the current year's revised estimate for the construction of the Landing Stage below the Kistna Aqueduct will accordingly be raised to Rs 11,000.
