FROM

THE SUPERINTENDENT,

MADRAS HARBOUR WORKS,

TO

The Examiner

Public Works Accounts bhepāk

MADRAS, 29th March 1886.

Sir

With reference to your circular No 4 of 1886 regarding Income Tax, it appears that the Tax is to be deducted from the salaries of the individuals on this staff and that in my own case instead of receiving Rs 1250. 0. 0 for a month's work I shall be forced to accept Rs 1217. 17. 2.

2. It seems to me that this is a clear violation of the terms agreed to by the Secretary of State through Mr. Parkes with myself, the words of which are distinctly "the salary is Rs 15000 per annum payable Rs 1250 monthly". I have received no intimation from the India Office that my terms are altered, and I therefore wish you to note in your office that I draw a salary of Rs 1217. 17. 2 under protest of its being a breach of the conditions under which I am appointed. The protest may of course be of no avail, but I wish you to record that I claim Rs 1250 a month salary under any

my circumstances.

Through the Engineer in Chief of the works,
in England, I will repeat my protest, as I am
unable to believe that a circular from your office
has power to alter the rate of pay fixed by the
Secretary of State for India

I have the honour to be,

Sir,

Your most obedient Servant

J. N. Munnings

Superintendent
Madras Harbour Works.
