20TH MARCH 1885, No. 704 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From Lieutenant-Colonel P. MONTGOMERIE, R.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 9th January 1885, No. 2383 G.D.

I have the honor to inform you that I promoted V. Ramiah, clerk, 4th class, 2nd grade, in the Government workshops, Dowlaishweram, to clerk, 3rd class, 3rd grade, in the same shops, on condition of his passing the Public Works Code examination, and appointed one Mr. C. Hookins as clerk, 4th class, 3rd grade, on condition of his passing the examination in hand-writing; but as the Examiner of Public Works Accounts objects to pass salaries to the abovenamed clerks without orders of Government, I request you will be good enough to obtain the sanction of Government authorising the admission of pay to V. Ramiah and to Mr. Hookins, from 8th August 1884, pending their passing the required examination.

From Captain C. C. RAWSON, R.E., Executive Engineer, in charge Government Workshops, to the Superintending Engineer, I Circle, dated Dowlaishweram, 12th February 1885, No. 965.

I have the honor to acknowledge the receipt of your memorandum, No. 2546 G.D., dated 1st February 1885, and, in reply thereto, to state as follows.

V. Ramiah has upwards of thirty years' service in the department, during which period his conduct has been generally good. Since May 1864 he was in receipt of Rs. 25 per mensem until July 1880, when he was promoted to Rs. 30. As this man's work was confined to the store department throughout his service, he was thought to be the fittest man for the place of the storekeeper of the shops, and accordingly promoted clerk, 3rd class, 3rd grade, on condition of his passing the prescribed test in the code by the next opportunity.

2. I may here remark that the examination rules applicable to clerks may be dispensed with in the case of this man as his work is distinctly that of a storekeeper.

3. As regards Mr. Hookins, I have to state that, the work in the shops being of a peculiar nature, and this man having a fair knowledge of it, he was thought to be a better candidate to fill up the vacancy.

4. Under the circumstances explained, I have the honor to request you will kindly obtain the sanction of Government in view to the pay of these clerks being passed by the Examiner of Public Works Accounts, pending their passing the necessary examinations by the next opportunity.

Endorsement on the above.

No. 2763 G.D.

Submitted to the Chief Engineer, Public Works Department, with reference to his memorandum No. 114 C., dated 19th January 1885, and with the request that the Examiner may be authorised to pass the salaries of both individuals as a special case.

DOWLAISHWERAM,
