Proceedings of the Board of Revenue, dated 24th March 1886, Mis. No. 2205.

Read—the following letter from the Collector of Nilgiris, to the Secretary to the Board of Revenue, dated 18th March 1886, No. 76 :—

With reference to Board's Proceedings, dated 21st January last, No. 222, Routine, communicating G.O., No. 394, dated 19th idem, Revenue, and G.O., No. 136 W., dated 18th idem, Public Works, confidential, relating to the acquisition of certain private holdings round the Ootacamund lake, I have the honor to state that this office has been in correspondence with the owners or occupiers concerned in view to the lands being acquired by private negotiation if possible.

2. The owners of I/33 (1.19 acres), I/37 (0.18 of an acre), and I/38 (0.45 of an acre) have agreed to surrender the lands for reasonable sums, and before completing the purchase, instructions are awaited on this office letter, No. 60, dated 2nd instant, in regard to certain rights claimed. I am still in correspondence with the owners of I/40 (1.47 acres), I/43 (0.29 acres), and believe that they would accept a reasonable offer. It is observed that I/48 (6.10 acres) has already been acquired by Government direct from the owner.

3. Mr. Jeremiah Ryan, the owner of I/51 (7.83 acres), attached to the "Cedars" property, claims a very exorbitant price, viz., Rs. 30,000. He is unwilling to part with the land except under compulsion, and although the object of Government wishing to acquire the land and the direct benefit accruing therefrom to the owners of houses around the lake were explained, he writes that Government could not any better conserve the margin and the lake than private owners.

4. I anticipate some difficulty in inducing the owners of I/32 (2.29 acres) and I/42 (2.20 acres) to agree to reasonable terms.

5. I have the honor, therefore, to enclose a draft notification in the above three cases, under section 6 of Act X of 1870 (the Land Acquisition Act), and to request that Government may be moved to publish the same in the *Fort St. George Gazette* and order the acquisition of the lands under the said Act.

Resolution—dated 24th March 1886, Mis. No. 2205.

Submitted to Government with the request that the draft notification may be approved and ordered to be published in the *Fort St. George Gazette*.

2. The Collector's letter, No. 60, referred to in paragraph 2, has been submitted to Government with Board's Proceedings, dated 11th March 1886, Mis. No. 1869.
