To,

Negapatam Dn

Sir,

I have the honor to inform you that the house I am now occupying here is very small & it is impossible to get a more spacious one. It is therefore very inconvenient to accommodate my office too in it. The Munsiff's Court of this place is at present being held in a hired building for which they are paying a rent of Rs 10 per month. As no other suitable building could be procured here for an office, I thought I may occupy it after the Munsiff Court removes from it to its proper building and so was keeping, though with a great deal of inconvenience, my office in my house. But as matters now stand, it cannot be expected that the Munsiff Court will remove from the hired building soon, and as owing to commencement of hot season the holding of my office in my house has become most inconvenient, I have hired, as a temporary measure, another building though very ill adapted for holding an office for a monthly rent of Rs 3 so that I may remove to the building occupied by the Munsiff Court as soon as it is vacated.

I therefore request that, as under para 996 of P. W. Code, rent to the amount of Rs 15 can be given for a house for the accommodation of a Sub Division office, you will be good enough to obtain sanction for giving rent up to Rs 10 for the accommodation of my office. I may note here that it will not be inadvisable to get a new building constructed for the accommodation of Sub Divisional and Overseers offices.

I have &c.

READ—the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 11th May 1885, No. 188 E.W.

Funds having been provided in the budget for proceeding with the improvements of the Calicut-Vayitri road, I have the honor to request early instructions on my letter, No. 466 E.W., of 24th ultimo; and, particularly, whether the work may now be commenced as a sub-division of the West Coast division, whether an allotment will be granted for repairs, and whether I may at once employ the establishment proposed in paragraph 4 of my letter.

2. It is believed that repairs were stopped some months ago by the Local Fund Board, in anticipation of the transfer of the road to this department, and that repairs are now badly needed to keep the road open to traffic.

G.O., dated 18th May 1885, L.F. No. 180, Financial.

The sum of Rs. 33,300 sanctioned in G.O., No. 3043 W., dated 12th December 1884, for repairs, will be treated as part of the improvement estimate, and a separate allotment will not be needed. A grant of Rs. 50,000 has been provided for the project in the Provincial budget for 1885-86.

3. The establishment* asked for in paragraph 4 of the Superintending Engineer's letter, No. 466 E.W., dated 24th April 1885, may be appointed at once, the pay of the men being debited to the budget grant for temporary establishment. The name of the individual selected for appointment as temporary overseer should be reported to the Chief Engineer for confirmation; but if the Superintending Engineer is unable to find a man for the post, a nomination will be made by the Chief Engineer.
