GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers:—

From M. R. WELD, Esq., President, District Board, Kistna, to the Chief Secretary to Government, dated Masulipatam, 14th April 1886, No. 5.

I have the honor to state that there stands in the Bandar fort an old travellers' bungalow, and that it is now in a state of utter disrepair. Consequently, travellers halting at Masulipatam are put to great inconvenience. I deem it highly desirable to repair it at once. With this view I asked the municipality whether they are willing to take it under their charge, and they declined to do so. It is therefore necessary that the Local Fund Board should undertake to repair it. The Superintending Engineer informs me that the building is borne on the books of their department. Sanction is therefore solicited for transferring it to this department and for allotting Rs. 1,410 from the general reserve for its repairs. A formal application will be submitted. Copies of my letter to the Superintending Engineer and of the District Board's resolution on the subject are enclosed.

Enclosure.

Proceedings of District Board, Kistna, passed at a meeting held on Saturday, 10th April 1886.

The Board observe that the bungalow is falling, and will soon collapse if not repaired. They therefore resolve to address Government with a view to have it handed over to them; they sanction the estimate, and when the bungalow is handed over, work may be begun. Government will also be asked to sanction the expenditure of Rs. 1,410 from General Fund reserve.

The Board do not approve of the alternative estimate amounting to Rs. 1,060.
