READ—the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 11th May 1885, No. 188 E.W.

Funds having been provided in the budget for proceeding with the improvements of the Calicut-Vayitri road, I have the honor to request early instructions on my letter, No. 466 E.W., of 24th ultimo; and, particularly, whether the work may now be commenced as a sub-division of the West Coast division, whether an allotment will be granted for repairs, and whether I may at once employ the establishment proposed in paragraph 4 of my letter.

2. It is believed that repairs were stopped some months ago by the Local Fund Board, in anticipation of the transfer of the road to this department, and that repairs are now badly needed to keep the road open to traffic.

G.O., dated 18th May 1885, L.F. No. 180, Financial.

ORDER—dated 10th June 1885, No. $\frac{1356 \text{ W.}}{\text{A}}$, Public Works.

The proceedings in the Financial Department above recorded will be communicated to the Superintending Engineer, IV Circle.

2. The sanctioned improvements to the Calicut-Vayitri road may now be commenced as a sub-division of the West Coast division. The sum of Rs. 33,300 sanctioned in G.O., No. 3043 W., dated 12th December 1884, for repairs, will be treated as part of the improvement estimate, and a separate allotment will not be needed. A grant of Rs. 50,000 has been provided for the project in the Provincial budget for 1885-86.

3. The establishment* asked for in paragraph 4 of the Superintending Engineer's letter, No. 466 E.W., dated 24th April 1885, may be appointed at once, the pay of the men being debited to the budget grant for temporary establishment. The name of the individual selected for appointment as temporary overseer should be reported to the Chief Engineer for confirmation; but if the Superintending Engineer is unable to find a man for the post, a nomination will be made by the Chief Engineer.
