Copies of the following forwarded to the Secretary to Government Public Works Department for information.

D. P. Ewbank
Examiner P. W. Accounts.

Copy of letter from the Examiner P.W. Accounts Madras, to the Accountant General Public Works Department, No. 6 A. dated 14th April 1886.

With reference to section 37(a) of the Pay and Acting Allowance Code, I have the honor to request the favor of your opinion whether a Supervisor 1st grade and Sub-Engineer 3rd grade sub.pro.tem appointed by the Local Government to officiate as Executive Engineer, may be allowed the allowance of Rs. 100 per mensem in addition to the pay of his substantive-pro-tem appointment.

2. The case in point is that of Abdul Kareem Khan Saib Supervisor 1st grade and Sub-Engineer 3rd grade sub-pro-tem appointed by Government to officiate as Executive Engineer of the Madura Division during the absence on privilege leave of

Mr. Grimes, the permanent Executive Engineer. From the wording of section 27, it would appear that the allowance is admissible in addition to pay (substantive pay_vide definition) and if this ruling were to be strictly applied to the case of Abdul Kareem Khan Saib, he will be subjected to a loss of Rs. 5 for the first 30 days, and will gain Rs. 20 per mensem for the remainder of the period for officiating as Executive Engineer.

Admissible.	First 30 days	Remainder
Pay of Abdul Kareem Khan Saib..	200	200
Additional allowances for the first 30 days.....	75	100
——do—— for remainder.	275	300
Pay of Abdul Kareem Khan Saib as sub-engineer 3rd grade sub pro tem.....	250	250
——do—— Sub-Divisional allowances.....	30	30
	280	280
Loss.....	5	
Gain.....		20

3. Pending reply to this reference, Abdul Kareem Khan Saib has been allowed to draw the deputation allowance in addition to the pay (Rs. 200) of his substantive appointment (Supervisor 1st grade).

4. The case of a Sub-Engineer 1st grade sub_pro-tem officiating for an Executive Engineer would be still worse, and it appears to me that the intention of the rule was that a subordinate officiating for an Executive Engineer should draw the extra Rs. 100 clear, hence this reference.

Copy of letter from the Accountant General Public Works Department, No. 480 E. dated 14th May 1886. to the Examiner P. W. Accounts Madras.

In reply to your letter No. 6 A. dated 14th ultimo, I have the honor to state that in my opinion you have applied the rules correctly in passing deputation allowance in addition to substantive pay to the subordinate referred to while officiating as Executive Engineer. If an authoritative interpretation of the rules is required, the question should be referred through the Local Government to the Government of India in the Finance Department, in accordance with the orders relating to interpretations of rules of the Financial Code.
