SIR,

I have the honor to inform you that the Executive Engineer of the Ganjam Division has made a special application, that sanction may be obtained to his employing a 1st class Draughtsman in place of a 2nd class Draughtsman, as entered in the Established statement submitted very lately - as he cannot secure the services of a competent man, on the minimum salary of Rs. 35-

He has advertised for a Draughtsman for sometime past - but finds that no one will accept the post at Chicacole, unless higher emoluments are offered them - I would strongly recommend, that the Executive Engrs. request may be acceded to, for there is

From Captain O. V. BODDY, R.E., Executive Engineer, Coimbatore Division, to the Superintending Engineer, IV Circle, dated Coimbatore, 16th September 1885, No. 1537.

I have the honor to request information on the following point, viz. :—

2. In accordance with G.O., No. 3371 W., of 23rd November 1883, the Collector of Coimbatore has applied to me for a certificate as to the reasonableness of the municipal tax (Rs. 42-3-6) levied on the Assistant Superintendent's quarters at Erode. The tax as per section 47 (II) of the Municipal Act IV of 1884 ought to be levied at $7\frac{1}{2}$ per cent. on the annual value (or gross annual rent, *vide* section 62 also) of the building. The value of the building being Rs. 8,340, at $7\frac{1}{2}$ per cent. on it the annual rent amounts to Rs. 626 or Rs. 52 per mensem ; calculating at $7\frac{1}{2}$ per cent. on the annual rent thus arrived at, the municipal tax on the building would amount to Rs. 47, whereas we now collect only Rs. 30 per mensem or Rs. 360 per annum from the Assistant Superintendent of Police now occupying the building as per G.O., No. 196, dated 23rd February 1875 ; at this rate the municipal tax to be levied would amount to Rs. 27.

3. I have, therefore, the honor to request you will be good enough to let me know whether I should grant certificate for Rs. 42-3-6 or Rs. 27 for the building under reference.

From Captain O. V. BODDY, R.E., Executive Engineer, Coimbatore Division, to the Superintending Engineer, IV Circle, dated Coimbatore, 17th November 1885, No. 1831.

With reference to your endorsement, No. 481 C.I., dated 9th November 1885, I have the honor to inform you that the capital cost of the dwelling house with out-houses and office for the Assistant Superintendent of Police at Erode is Rs. 8,340 as detailed below :—

	Rs.
Office for the Assistant Superintendent of Police	1,270
Dwelling-house with out-houses for the Assistant Superintendent ...	7,070
Total ...	8,340

2. About $2\frac{1}{2}$ per cent. would, I think, be a fair allowance for repairs, and a fair rent would be Rs. 40 per mensem.

Endorsement on the above.

No. 469 E.W.

Submitted to the Chief Engineer, Public Works Department, with reference to paragraph 1 of his memorandum, No. 1759 C., of 5th November 1885, with an intimation that Rs. 40 per mensem is a fair rent for the building.

Under G.O., dated 20th November 1884, No. 2501, Public, the rent to be levied from the Assistant Superintendent of Police at Erode will be fixed at Rs. 40 per mensem, or at about 7 per cent. on the value of the portion of the building occupied as quarters.

2. At the same rate the rent of the entire building would be about Rs. 48 per mensem, and the Executive Engineer may therefore certify to the reasonableness of the municipal assessment of Rs. 42-3-6 per annum.

In continuation of my letter, No. 225, of the 15th ultimo, I have the honor to forward a letter, with an enclosure, from the Superintendent of Police, South Arcot, regarding the increased rate of house-rent claimed by the Executive Engineer for the quarters occupied by the Assistant Superintendent of Police at Tirukoilúr, South Arcot district, according to G.O., No. 1509 W., dated 29th June 1885, while the rate, Rs. 30, paid by the Assistant Superintendents, was fixed by G.O., No. 209, dated 29th January 1875, Judicial Department.

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 1st April 1886, No. 12.

In returning the enclosures of your memorandum, No. 915 C., dated 5th March 1886, I have the honor to report that, if the rent of Rs. 30, as fixed by G.O., Judicial Department, No. 209, dated 29th January 1875, should be continued to be paid, the rate for risks and repairs will be $\frac{3}{4}$ per cent. per annum in addition to $4\frac{1}{2}$ per cent. for interest on the capital cost of the building, Rs. 6,848. Prior to the issue of G.O., No. 2944 W., dated 28th November 1884, the rate laid down for risks and repairs was $1\frac{1}{2}$ per cent., so that, together with $4\frac{1}{2}$ per cent. for interest, rent was charged at 6 per cent., and at this rate the rent for the building comes to Rs. 34-4-0.

2. The Executive Engineer informs me that repairs to the roof of the building have been put in hand.

To the Superintending Engineer, V Circle, dated 3rd April 1886, No. 1360 C.
From the Superintending Engineer, V Circle, dated 5th April 1886, No. 64.

ORDER—dated 9th April 1886, No. 976 W., Public Works.

G.O., No. 2501, dated 20th November 1884,* which cancelled all previous orders on the subject, fixed seven and-a-half per cent. on the capital cost of a building as the *maximum* charge for rent, to cover interest at four and-a-half per cent. together with risk and repairs. In the case of the bungalow occupied by the Assistant Superintendent of Police at Tirukoilúr, the Government are advised that one and-a-half per cent. is a fair charge to cover risks and repairs, and it is accordingly ordered that the rent of the bungalow be calculated at six per cent. on its capital cost.

* G.O., No. 2944 W., dated 28th Nov. 1884

2. With reference to the remarks of the Superintendent of Police, South Arcot, in his No. 65, dated 24th January 1886, it is observed that G.O. (Judicial), No. 209, dated 29th January 1875, and G.O. (Public Works), No. 196, dated 23rd February 1875, are identical, the latter merely communicating the former to officers concerned. The former, therefore, equally with the latter, must be considered as cancelled by G.O., No. 2944 W., dated 28th November 1884, and G.O., No. 1509 W., dated 29th June 1885.

3. Adverting to the concluding paragraph of the Superintendent's letter, in which he states that the roof of the bungalow leaks, the Superintending Engineer reports that repairs to the roof have been put in hand.

I have the honor to state that until the issue of G. O. O. No. 209 dated 29th January 1875, but now the Executive Engineer in his letter No. 78 dated 20th January 1886, herewith forwarded, demands that the increased rate of rent, Rupees 40-0-0 per mensem, fixed in the former G. O. should be paid in arrears from 21st June 1885 the date of the first occupation of the Bungalow

Bungalow by the Assistant Superin-

so decided by the Superintending

to be unreasonable as the G. O. of

great hardship to officers as they
cannot afford such sudden demands.
I therefore request that orders may
