							The address which should be affixed to the parcels or cases to be distinctly given in full. Abbreviations sometimes lead to mistakes.

I do hereby certify that the maps, &c., specified in this indent are indispensably necessary to the best of my knowledge and belief, after the most careful examination.

Recommended.

Countersignature of approving authority.

Signature of Indenting Officer, with designation of appointment in full.

11. All necessary information as to the scale of reproduction, number of copies required, quality and size of paper, mode of transit, and address to which proofs and printed copies are to be despatched, should be shown on the face of the indent and not in a covering letter, unless more explanation is required than can be given on the face of the indent.

12. All indents must be duly approved and countersigned by the heads of departments, or the Government under which indenting officers may be serving, before they can be supplied, *viz.*—

and they should be addressed to the Assistant Surveyor General, in charge of the Lithographic and Photographic Offices, Calcutta, at No. 1 Camac Street and No. 1 Wood Street respectively.

13. Lithographic and Photographic work will be undertaken on behalf of Municipalities, Port Trusts, Railway Companies, the Trustees Indian Museum, and other quasi-official bodies for cash payment on indents in the form prescribed above. Private work cannot be undertaken except in very special cases,

when it cannot possibly be done otherwise, and when the Office can take it up without inconvenience. On such work an extra charge of 10 per cent. will be made over and above the usual rates. In all cases where cash payment is required, an estimate will be given and the amount must be remitted before the work can be put in hand.

14. As a rule, maps and drawings reproduced by lithography or photography are not coloured, but in special cases where colouring is essential, it can be arranged for on cash payment, as prescribed under Rule 1. Packing and transit charges must also be paid by indentors.

15. To enable the indenting officer, as well as the officer who countersigns and finally passes an indent, to know the cost involved thereby, the average ordinary price of each description of work executed in the Lithographic or Photographic Offices is given in the annexed list.

16. Indents should be regulated, not according to what an officer would like to have, but by what is absolutely necessary. It is in all cases an economy to have maps and drawings reproduced on as small a scale as possible.
