PUBLIC WORKS DEPARTMENT.

Civil and Military Works.

READ—the following papers :—

From Colonel W. H. BURTON, R.E., Officiating Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 28th September 1885, No. 2776.

In order to enable the Executive Engineer to comply with the provisions of the Madras Municipal Act, in reference to certifying to claims made by the municipality for house, light, and water tax on Government properties at Madras, I have the honor to request that such orders may be issued as will ensure officers of all departments occupying Government buildings giving timely intimation to the Executive Engineer of the dates of vacation and re-occupation of buildings for any purpose in their respective charge, as without such information it is not possible for the Executive Engineer to scrutinise the municipal claim for taxes on Government properties at Madras.

2. I also request to be informed whether the Executive Engineer should consider that Government House and Marine Villa are "vacant" or "occupied" whilst those buildings are occupied only by servants although kept ready for His Excellency's occupation.

3. As also whether such buildings as barracks, warrant and non-commissioned officers' and married soldiers' quarters, when vacant but kept ready in all respects for occupation, are liable to municipal tax.

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 30th March 1886, No. 5367.

With reference to your endorsement (returned), No. 2236 D., dated 2nd October 1885, I have the honor to forward two copies of the list of Government buildings at Madras which are in charge of the Executive Engineer, Presidency division, and are occupied by the several departments of Government, viz.:—

Hon'ble W. Hecter says that he sometime ago asked for a complete list of Govt. buildings at Madras, and of sites available for new buildings. Has this been furnished?

Do the buildings of the old Lunatic Asylum, with the site, belong to Govt.?

If not, when were they sold — at what price?

W.D.

10.3.86

W. The request came through the Rev. Dept. & was referred to S.S.V & the C.A.-

We are now waiting for the S.S.'s reply.

It will be seen from the attached note from Mr. Milne that the old Lunatic Asylum building was rented by the Govt.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ again their G.O., dated 6th April 1886, No: 219, recording, pending receipt of the list of public buildings at Madras in charge of the P.W. Department, Endorsement of the P.W. Department, dt 19th March 1886, No 1125, furnishing a list of the public buildings at the Residency in charge of the Consulting Architect and stating that accommodation cannot be made available in the building known as "Kallapathagh" for the office of the Commissioner of Salt & Abkari Revenue.

Order thereon, dt May 1886, No: 3932

The post arrangement regarding accommodation for the office of the Commissioner of Salt and Abk Revenue will terminate with September next and the question as to what should be done on the location of the office thereafter must accordingly be settled. From

of the Public works Depts which have been

the Scotch Church title to which is occupied by the Eyre &
Firmay is vacant. The Commissioner will, accordingly, be requested to make enquiries and
report stating, if the building is obtainable at a
reasonable rent, whether it will accommodate
the Dy: Commissioner & office in addition to
his own.
