Read—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Examiner of Public Works Accounts, dated Dowlaishweram, 25th May 1883, No. 598 G.D. :—

With reference to the latter part of paragraph 283 (c) of the Public Works Code, which authorises advances to Overseers on the permanent establishment for the purchase of tents, I have the honor to request you will be good enough to let me know if this rule is applicable to Overseers on the temporary establishment in the Central Division, Godávari.

No. 316 S.E., 1st.
Endorsement on the above.

Referred to the Secretary to Government, Public Works Department, for favor of orders.

2. As no provision is made in the Public Works Code for advances to temporary Upper Subordinates for the purchase of tents, and as these advances are recovered in twelve equal monthly instalments commencing three months after the payment of the advance, it would appear that if these advances are at all admissible, they should only be granted in exceptional cases under the special orders of Government, as the limit of service for temporary Upper Subordinates is fixed at twelve months, subject to renewal every year.

Order—dated 18th June 1883, No. 1709 W., Public Works.

Paragraph 283 (c) of the Public Works Code, authorising Superintending Engineers to grant advances to Overseers for the purchase of tents, is not applicable to subordinates on the temporary establishment.

2. If exceptional cases occur in which it is clearly advantageous to make some advances to temporary subordinates to enable them to take the field, the special sanction of Government should be applied for.

There is no rule under which advances of pay can be sanctioned to members of the temporary establishment; but the Govt have in certain special cases sanctioned such advances. Ordinary transfer is not considered sufficient reason for permitting an advance of pay to a member of the temporary Est.
