READ—the following letter from Colonel A. FILGATE, R.E., Deputy Secretary to the Government of India, Public Works Department (Account—General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 6th April 1887, No. 80 A.G. :—

I am directed to acknowledge the receipt of your endorsement, No. 90 W., dated the 11th January 1887, submitting the report on the working of the system promulgated in paragraph 1909 of the Madras Public Works Department Code in regard to the exhibition, in a work voucher, of works and repairs costing over Rs. 2,500 and those costing Rs. 2,500 and under.

2. In reply, I am to state that the Government of India does not consider it advisable that works costing over Rs. 2,500 should be accepted, as unreservedly as is proposed without detailed audit, viz., until half the estimated cost of the sub-head is reached.

3. Separate work vouchers should be prepared for works and repairs costing over Rs. 2,500 when this sum has been expended on any one sub-head of the estimate. But until this limit is reached they may be included in the same work voucher as those costing Rs. 2,500 and under.
