GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Resolution of the Government of India, Department of Finance and Commerce (Accounts and Finance—Estimates and Accounts), dated Calcutta, the 9th February 1887, No. 668:—

In each of the provinces a department has been created for the maintenance of the Record of Survey and Settlement, and for the oversight and disposal of questions relating to agriculture; but as they have been created at different times, and by different developments of existing arrangements, they are known, in the several provinces, by different names, and are shown in different parts of the Accounts. As it is advisable to assimilate the procedure and the nomenclature of the several provinces, the Governor-General in Council is pleased to direct that the Department be in future known as the Department of Land Records and Agriculture, and that the expenditure connected with it be shown under a minor head subordinate to Land Revenue, called Land Records and Agriculture.

Establishments created or employed in the maintenance of records, but forming part of the district establishments (*e.g.*, Inspectors of Revenue, Kanungos, &c.,) will continue to be shown, as at present, under the head of "Collector's establishments," under Land Revenue.

Nothing in this order is intended to affect any local arrangement under which the Director of Land Records and Agriculture is also the Director or Commissioner of Land Settlement.

The expenditure of the Department is already entirely provincial, except in Central Provinces, Burma, Bengal and Punjab, where portions of it are taken under Settlement, Survey, Registration and Settlement, respectively, which are divided heads. The new minor head it is intended should be a provincial one.

The reclassification will be made (subject to a proper adjustment between Imperial and Provincial services) in the accounts of 1886-87, and will be introduced in the new Contracts with the Provincial Governments.

Order—

Ordered that this Resolution be communicated to the several Local Governments and Administrations and to the several Accountants-General and Comptrollers, with the remark that they may, if they find it convenient, put off any alteration of procedure until the estimates of 1887-88 are disposed of, merely entering the necessary transfers in their "Budget notes."

Ordered also, that a copy of this Resolution be forwarded to the Revenue and Agricultural Department and to the Comptroller and Auditor-General for information.

(Signed) J. WESTLAND,
Offg. Secy. to the Govt. of India.

ORDER—dated 1st March 1887, No. 222, Revenue.

Miscellaneous.

Communicated to the Board of Revenue.

2. The Department, at present known as the "Agricultural Department," will in future be styled "the Department of Land Records and Agriculture."

3. Paragraphs 4 and 5 of the Government of India Resolution will be dealt with in the Financial Department.
