Rations.

From—The Officiating Secretary to the Government of India, Military Department,
To—The Adjutant-General in India.

I am directed to acknowledge the receipt of your letter No. 70-D. Commissariat, dated
the 10th January 1887, conveying the recommendation of the Commander-in-Chief that free
rations may be issued to the subordinate establishments of all departments serving with a force
in the field.

2. In reply, I am to say, for the Commander-in-Chief's information, that the Govern-
ment of India sanction the free issue of rations to all civilian employes generally, i.e., clerks,
signallers, agents, postmen, and all public followers while serving with a force in the field; but
the concession is not intended to apply to combatant warrant officers, or to members of the
apothecary class of the Sub-Medical Department (except sub-assistant apothecaries). Members
of the Hospital Assistant class will be entitled to the concession.

3. The rates of pay of men entertained temporarily, and the grant of any special or field
allowances to permanent establishments when serving with a force in the field, will in future
have to be regulated with reference to the free issue of rations to them.

4. The Controller of Military Accounts, Bengal, will be asked to draw up a memorandum
shewing in detail the classes of establishments in the various departments to whom free rations
will be allowed when the frontier is crossed, which can be embodied in the regulations for
mobilisation, which are under preparation. The Secretary, Mobilisation Committee, should be
desired to furnish the Controller of Military Accounts, Bengal, with any information or
accepted suggestions in the proceedings of the committee which may bear on the question.

5. No change will be made in the present rules as regards the force in Burma.

No. 1152 S

From H. H. O'Connell Esq.
General Superintendent.
Public Works Store Dept.

To
The Superintending Engineer
5th Circle
Chennai.

Sir,
During the storm on the 9th
November last, a boat carrying 2
Cases stores by the Buckingham
canal to Bezwada for the Executive
Engineer Eastern Division Krishna
was wrecked near Pulicat and the
Cases were lost, subsequently one
Case containing tools was recovered,
but the Case containing 3 Prisma-
tic Compasses with Stands, and
two Beam Compasses in boxes was found
broken and contents lost. As soon
as the loss was reported, I wrote to
the Collector of Chingleput to
institute enquiry about the mis-
sing articles, the Acting Magistrate
of
