DOWLAISHWERAM, 23d March 1887
Desp 27"

SIR,

With reference to Proceedings of Madras Government dated 13th Septr 86 No 2306 W, I have the honor to ask your consideration of the following facts, with a hope that the concession made in the Proceedings Madras Government under notice may be extended to me.

(2) I was appointed "before 1st November 1873" in February 1866.

(3) I had then had upwards of 4 years engineering experience in India, 2 years and 10 months of such experience having been after I had passed the age of 25.

(4) I was at the time a Divisional

Pr.

Engineer in the Madras Irrigation and Canal Company drawing Rs. 600 a month and Travelling allowances.

(5) I was not appointed as 1st Grade Assistant but on expressing some hesitation in coming down from the position and pay I had to those of assistant Engineer 2nd Grade, I was assured that though circumstances at the time did not admit of my entering the Department except in that grade my experience would be sure to tell, and accordingly on my bringing the matter to notice I was in August 1868 promoted from 2nd grade Assistant direct to 4th grade Executives, and this I think I am justified in saying was, as regards recognition of the value of my previous experience, more than equivalent to having been appointed as Assistant Engineer 1st Grade at first.

(6) I therefore ask consideration of whether my case is not fully covered by the spirit of the rule

under notice, and respectfully request that to my pensionable service I may be allowed to add a period of 2 years and 10 months.

*see para 3.

(7) I would remind you that my previous service in India proved of some special value when I was deputed to take over on behalf of Government the works of the very Company in which that previous service had been spent.

*See G.O. 7843 dt. 6-10-82.

I have the honor to be
Sir
Your most obed. Servt.

C. Tweedale

PUBLIC WORKS DEPARTMENT.

HE MADRAS GOVERNMENT.

UNDER date the 23 April 1887

READ the following

G.O. No. 485 G. L. dt 23d March '87

Ordered that the
Government of India be
addressed.

(G.O. No. 1124 W dt 23d April 87)

To
The Secretary to the
Government of India
P. W. D.

Sir,

With reference to the
Resolution recorded in Pro-
ceedings of the Govt. of India
P.W.D. No. 1347 G. dt 30 Augt. 1886,
I am directed to submit the
following case for the fa-
vorable consideration of
the Government of India.

2. Mr. G. T. Walch M.S.C.E.
at present Supg. Engineer
2d class temporary, joined
this Department as Asst.
Engr.

18/4/87

recommend that his case may be treated exceptionally, and that he be allowed to add to his service for pension a period of two years and ten months, that being the length of his experience gained as an Engineer before entering the Government service, and after attaining the age of 25 years.

5. Mr. Walch's experience in Irrigation Works has at all times been of the greatest assistance to this Department. In 1882 he was selected for the special duty of taking over charge of the works &c. of the Lake Chaduas Irrigation and Canal Company's Canals, and the Government placed on record this appreciation of the satisfactory manner in which the work was carried out. During a tour in 1876 Mr. Walch prepared some valuable notes on some of the navigable rivers and ~~Canals~~ Canals in the United States and Canada

Sir.
