Through the Executive Engineer Kistna
Honored Sir,

I most humbly and respectfully
beg to bring to your notice that in
Disallowance List No. 463 of 1886-87 on the
salary bill of Rushikurga Divⁿ for
December 1886 it was stated that
Divisional allowance was disallowed
to me being inadmissible from date
of joining of accountant V. Subhanyan.
In Disⁿ List No. 497 of 86-87 on the salary
bill of Kistna Western Division for
January 1887 it was stated that
Divisional allowance was disallowed
to me for the reason of the same having
been drawn for Mallikharajumayya
and for its being admissible only from
date of final assumption of charge.
If the rule quoted in Rushikurga Division
is enforced I am entitled to Divⁿ allowⁿ
in Kistna Western Divⁿ from date of
joining; if the rule quoted in Kistna
Western Division is enforced I am entitled
to allowance in Rushikurga Divⁿ to

In Rushikurga Division I and Subharayudu worked together from 12.86 to date of my relief viz 10.1.87. He took up one portion of the work & another. The Executive Engineer was kind enough to state on several occasions that any arrears in the Rushikurga Division was due to want of sufficient establishment to cope with the work and not in the least due to me. So I feel it hard that I should be made to suffer for having worked hard in a weak office with heavy work. As for the financial difficulties Subharayudu was a 4th grade accountant and in any case he does not draw the allowance. I most humbly beg to represent that I am entitled to the Div^l allowance up to the date of my relief in that Division and beg to request therefore that the same may be kindly granted to me.

In the Kistna Western Division I joined on 29-1-87. I thought I could relieve Mallikharjuniah immediately but I received orders from the Executive Engineer not to relieve him until Mr. Kammer's inspection was over. Subsequently I found that

report I had to search for a good deal of the information myself as on the absence on leave from 26-1-87 his principal assistant the account could not explain, as would be seen by ~~some~~ replies to some of the queries in transfer report. This would have any delayed the taking over charge. On the 7th the Deputy Engineer inspected the office. On 8th Mallikharjuniah was sick and he was relieved. In the case I beg to leave it to your honor to decide if I am entitled to any allowance up to date of relief of Mallikharjuniah.

Begging to be excused for the trouble

I most humbly & respectfully beg to remain
