READ—the following letter from H. T. ROSS, Esq., Registrar of the High Court of Judicature at Madras, Appellate Side, to the Chief Secretary to Government, dated Madras, 2nd December 1886, No. 3214 :—

I am directed to submit, for the sanction of Government, the accompanying designs and estimates, amounting to Rs. 955-8-0, for record racks required for the new District Court building at Rajahmundry, and to request that funds may be allotted for the same.

2. The District Judge removed his court to the new building early in this year, but the records are still kept in the old building a quarter of a mile off for want of racks, the existing ones being quite unsuited to the new building and too old to stand the shock of removal. The old building itself has been condemned as unsafe for the record-keeper and his assistants to remain in, and the Public Works Department are anxious to have it vacated with a view to dismantling it.

3. Provision for these racks was not made in the previous estimate for furniture for this court (G.O., 12th March 1886, No. 664 W.) as it was then proposed to supply iron racks to all courts, which proposal has had to be kept in abeyance under G.O., 14th August 1886, Mis. No. 2147, Judicial.

No. 4522, Judicial.

Approved and transferred to the Public Works Department.

(By Order.)

ORDER—dated 4th February 1887, No. 273 W., Public Works.

The estimate, amounting to Rs. 956, for providing record racks for the new District Court-house at Rajahmundry, is sanctioned, and the amount is allotted from the Provincial reserve with the Government.

2. This sanction has been registered as Provincial, No. 174 W. of 1886-87, and classified as Civil Buildings, Original Works.
