Tracing.

In L.O. No. 64 W. dated 8th January
1885 the Original Estimate amounting
to Rs 6440 was sanctioned as Rs 225 W.
of 1884/85, but on completion of the
building it was found to be incon-
veniently dark and the existence of
salt earth has begun to have effect
on the new brick work, it was therefore
found necessary to provide 2 new
windows and apply water glass com-
position to the walls for protection.
In the original Estimate no provision
for Latrine, Compound wall and a
drain to carry off water were made
and the Superintendent of Police asked
for these works, hence the necessity
for the Supplemental Estimate.

2. The amount of the Supplemental
Estimate is Rs 700 and the Original
Estimate.
