READ—the following letter from G. H. D. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 14th April 1887, No. 717 G. :—

I am directed to acknowledge the receipt of your letters, Nos. 2571 W., dated 1st October, and 3312 W., dated 15th December 1886, to the address of the Private Secretary to His Excellency the Viceroy, forwarding memorials from Mr. D. C. Gordon, Examiner of Public Works Accounts, Madras, and Mr. H. Rainier, Deputy Examiner of Accounts, in which the following requests are preferred :—

i. That Civil officers of the Accounts branch of the Public Works Department may be admitted to the benefits granted to Civil officers of the Engineering branch of the department, as they have heretofore been placed on practically the same footing as regards pension rules, emoluments and all other privileges.
ii. That the amount of pension may be stated and paid in sterling.
iii. That they may be permitted to make remittances to England to an amount not in excess of one-half of their salaries at a rate of exchange not less than 2 shillings to the rupee.

Mr. Gordon makes the following additional request :—

iv. That privilege leave be accumulative to the extent of six months, instead of to the extent of three months, as at present, and be reckoned as service in all respects.

2. In reply, I am to request that the memorialists may be informed that the Government of India is unable to accede to the first and second requests. With reference to the third request, I am to forward, for communication to them, extract, paragraph 4, of a Financial despatch from the Secretary of State, No. 381, dated 9th December 1886.

3. With reference to the fourth request made by Mr. Gordon, I am to request that he may be informed that the Government of India sees no necessity for considering the question of altering the rules in the manner suggested by him.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers:—

Proceedings of the Government of India, Public Works Department (General), dated Fort William, 13th December 1884, No. 1442 G.

Reorganisation of the Engineer Establishment of the Public Works Department.

Read again—

Despatch to the Secretary of State, No. 15, dated 21st April 1884.

Read also—

Despatch from the Secretary of State, No. 71, dated 13th November 1884.

Resolution—

In accordance with the decision of the Secretary of State, the Governor-General in Council directs the publication of the following orders regarding the Engineer Establishment of the Public Works Department:—

I. (*a*) The number of Executive and Assistant Engineers on any list, taken together, will be divided equally between the two classes, an addition of one to the number of Executive Engineers being made for a fraction.

(*b*) The number of Executive Engineers in the 1st, 2nd, 3rd and 4th grades will be in the proportion of 8, 9, 10 and 12 respectively.

(*c*) Half the number of Assistant Engineers will be in the 1st grade, an addition of one being made for a fraction.

(*d*) The numbers in the three higher grades of Executive Engineers, and in the 1st grade of Assistant Engineers, as determined by (*b*) and (*c*), will be increased so as to allow of the permanent promotion of a number of officers from the junior grades of those classes, corresponding to the normal number of officers on furlough, as ordered in Public Works Department Resolution No. 1174 G., dated 4th June 1880.

II. (*a*) The pay of the following grades will in future be—

Executive Engineer, 3rd grade, Rs. 700 a-month.
" " 4th " " 600 "
Assistant Engineer, 1st " " 500 "

(*b*) Assistant Engineers, 2nd grade, will receive Rs. 400 a-month instead of Rs. 350, after three years' service in the grade.

(*c*) In the cases of officers of Royal Engineers who draw staff salary in addition to military pay and allowances, the increases under (*a*) and (*b*) will take the form of an addition of Rs. 50 a-month to staff salary, and to the maximum pay of their grade.

(*d*) The increase of Rs. 50 a-month to the salaries of Assistant Engineers, 2nd grade, after three years' service in their grade, will be given on specific recommendations on account of satisfactory service, and cannot be claimed as a right. The increase may be sanctioned by Local Governments and Administrations.

III Certain Civil Engineers with English training, appointed in India, will be allowed the same privileges under the pension rules, in all respects, as officers included in Schedule B, I, II and III (1) of the Civil Pension Code. A nominal roll of these officers will be added to the Civil Pension Code hereafter.

IV In regard to Civil Engineers, appointed in India from the Civil Engineering Colleges or otherwise, and not included under III, who may rise to the rank of Superintending Engineer, the Government of India will be prepared to consider favorably their admission to the pension rules applicable to those included in Schedule B, I, II and III (1). This rule is subject to any general restriction that may hereafter be prescribed as to the amount of pension payable to public servants who are natives of India.

V Civil Engineers who were appointed to the Department as Assistant Engineers, 1st grade, after they had left other employment in India, will be allowed, on account of previous experience, to add to their pensionable service a period not exceeding three years, provided such previous experience was not acquired before the age of 25.

VI These rules will come into force on 1st January 1885.

Order—

Ordered that this Resolution be communicated to the Local Governments, Administrations and officers noted in the margin, and that it be published in the *Gazette of India*, and in all local official Gazettes.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.
The Accountant-General, Public Works Department.
The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow.
The Superintendent of Works, Simla Imperial Circle.

Proceedings of the Government of India, Public Works Department (General), dated Fort William, 20th December 1884, No. 1475 G.

Reorganisation of the Engineer Establishment of the Public Works Department.

Read again—

Resolution in the Public Works Department, No. 1442 G., dated 13th December 1884.

Resolution—

The Governor-General in Council directs that the following orders may be issued in continuation of the resolution now read again.

2. It is to be observed that the division of the whole staff of Executive and Assistant Engineers between those two classes is to be made on the actual and not on any sanctioned number on each list.

3. In working out the proportion in each grade of Executive Engineers under I (b), an addition of one may be made for a fraction greater than one-half.

4. The method of adjusting the number of Executive and Assistant Engineers in each grade under I (d) will be as follows:—

Add to the 1st grade of Executive Engineers 20 per cent. of its own number and 20 per cent. on the number of superior officers.

Add to the 2nd and 3rd grades of Executive Engineers respectively 20 per cent. on their own number.

Deduct from 4th grade of Executive Engineers the sum of the numbers added to the three higher grades.

1187/9

Add to the 1st grade of Assistant Engineers $12\frac{1}{2}$ per cent. of its own number, and 20 per cent. of all higher grades.

Deduct from the 2nd and 3rd grades of Assistant Engineers the number added to the 1st grade.

5. An example for 100 Executive and Assistant Engineers is worked out below:—

Superior officers	...	*7		
Executive Engineers, grade	i ...	10 + 2 + 1·4	(3)	= 13
" " "	ii ...	12 + 2·4	(2)	= 14
" " "	iii ...	13 + 2·6	(3)	= 16
" " "	iv ...	15 — 8		= 7
Assistant Engineers, grade	i ...	25 + 3·125 + 11·4	(15)	= 40
" " "	ii & iii ...	25 — 15		= 10

---

* This number should be the number of Chief and Superintending Engineers specially sanctioned for the Province or list.
A fraction of one-half or more adds one to the grade.

Order—

Ordered that this resolution be communicated to the Local Governments and Administrations named in the margin for information and guidance and to the Military Department for information.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.
The Accountant-General, Public Works Department.
The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow.
The Superintendent of Works, Simla Imperial Circle.

Despatch from the Secretary of State, No. 71, dated 13th November 1884.

Read also—

Resolution in the Public Works Department, No. 1442 G., dated 13th December 1884.

Resolution—

In continuation of the Resolutions now read, the Governor-General in Council directs the issue of the following orders regarding Engineers transferred to other branches of the department:—

1. For the purpose of computing pension under Resolution of the Department of Finance and Commerce, No. 449, dated 18th April 1884, the following statement of equivalent rank will be held applicable:—

Civil Engineers in Class I of the State Railway Revenue Establishment,
" " in Classes I, II and III of Examiners of Public Works Accounts,

will be treated as Superintending Engineers.

2. The additional Rs. 50 a-month given to Executive Engineers, 3rd and 4th grades, and to Assistant Engineers, 1st grade, under Public Works Department Resolution No. 1442 G., dated 13th December 1884, will also be given to Civil or Military Engineers transferred to the Accounts Branch and holding the rank of

Examiners, Class IV, grade 3, or Deputy Examiners. Also the Rs. 50 authorised for Assistant Engineers, 2nd grade, after three years' service in their grade, will be given to the Assistant Examiners, 1st grade, who have been so transferred on the same conditions, under the orders of the Government of India.

Order—

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.
The Accountant-General, Public Works Department.
The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow.
The Superintendent of Works, Simla Imperial Circle.

Ordered that the Resolution be communicated to the Local Governments, Administrations and officers noted in the margin.

Office note from the Examiner, Public Works Accounts, dated Madras, 8th January 1885, No. 722.

[Your office notes, Nos. 2336 D. and 2146 C., dated 23rd and 31st December 1884].

If the basis of calculation is to be thirty-five Executive Engineers and forty Assistant Engineers, then the result will be—

Executive Engineers	38
Assistant "	37

and the distribution of the above amongst grades will be—

Executive Engineers, 1st grade	11
" " 2nd "	11
" " 3rd "	12
" " 4th "	4
	38
Assistant Engineer, 1st grade	31
" " 2nd "	6
	37

or three Executive Engineers and three Assistant Engineers less than the present sanctioned scale.

2. If on the other hand forty-one Executive Engineers and forty Assistant Engineers our present sanctioned scale is to be considered as the basis of calculations, the sanctioned scale will stand thus:—

Executive Engineers...	41
Assistant "	40

The distribution of the above into grades will be—

Executive Engineer, 1st grade	11
" " 2nd "	11
" " 3rd "	13
" " 4th "	6
	41
Assistant Engineer, 1st grade	32
" " 2nd and 3rd grades	8
	40

3. I think it probable that Government of India will issue separate orders showing what the revised scale will be for each Province, &c.

Sir,

I am directed to report, for the information of the Government of India, that, to give early effect to the Resolution No. 1442 G., of 13th December 1884, on the subject of the Engineer establishment of the Public Works Department, His Excellency the Governor in Council has decided to make, from the 1st January 1885, ten promotions in the Executive Engineer grades and nine in the Assistant Engineer grades on the Madras list.

2. These numbers are based on the actual and sanctioned strength of the establishment, which comprised up to 1st January two Chief Engineers, six Superintending Engineers, forty-one Executive Engineers, and forty Assistant Engineers. It is proposed to promote two Executive Engineers 2nd grade to 1st, three Executive Engineers 3rd to 2nd, and five Executive Engineers 4th to 3rd; also nine Assistant Engineers 2nd to 1st grade. The numbers so arrived at in the different grades are in the proportions fixed in Resolution No. 1475 G., of 20th December 1884.

3. I am to inquire whether these proposals are in accordance with the intentions of the Resolutions referred to. The favor of an early reply is requested, in order that the promotions may be notified with as little delay as possible.
